

# RESTAURANT INTERIORS

A fine dining experience today isn't just about the food - it's like performance art mixed with luxury hospitality.

## MODERN MINMALISTIC

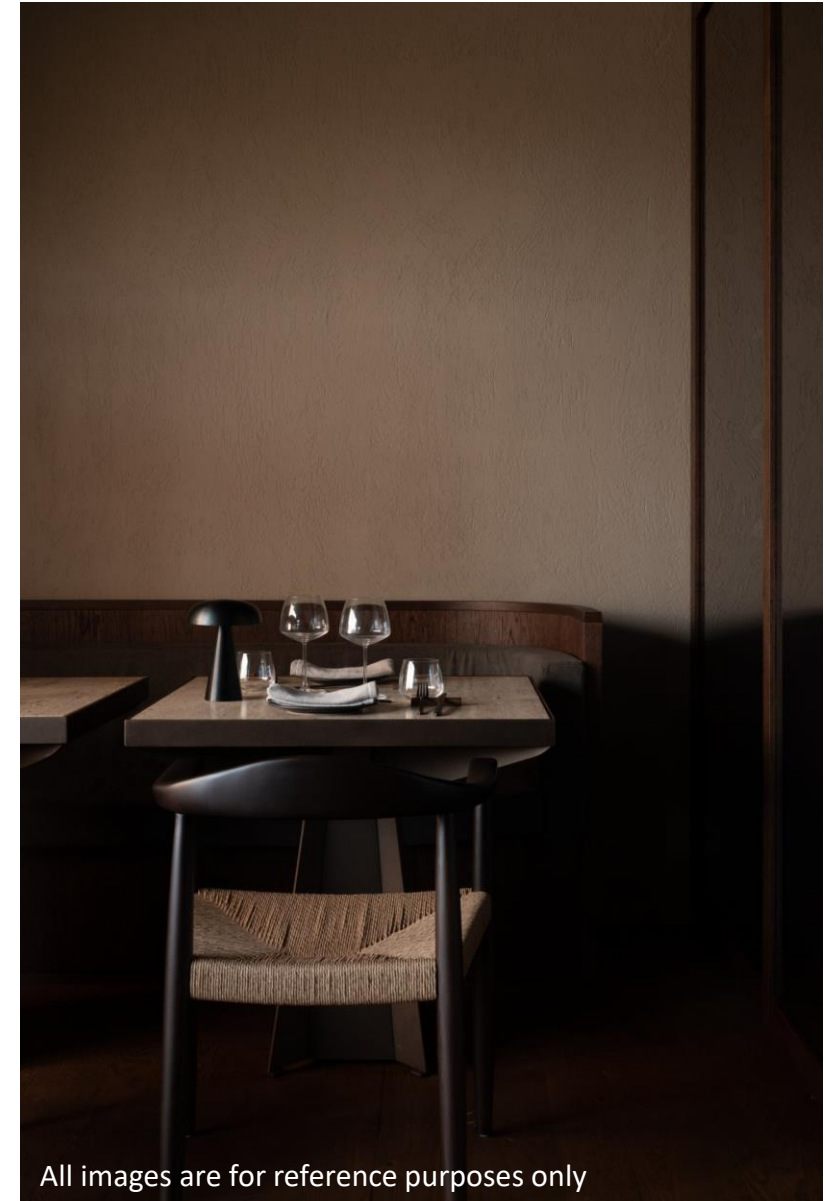

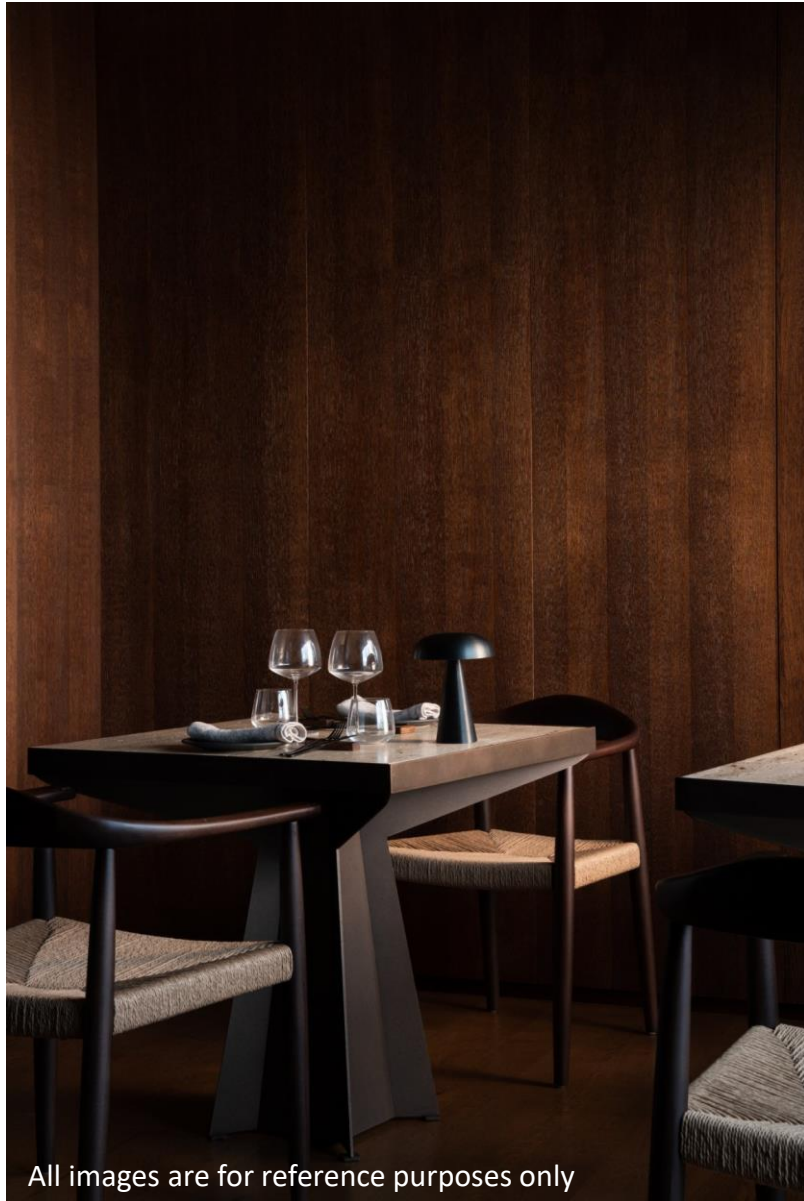

Offering a modern and refined fine dining experience, this style features designer furniture that elevates the space, complemented by a subtle two-tone color palette that adds elegance and a sense of calm.

The tranquility is occasionally punctuated by natural pops of greenery, offering an escape into a serene, sophisticated and welcoming environment.

Here, food and hospitality come together to create an experience unlike any other, where each dish is crafted with care by our finest chefs, inspired by cherished recipes passed down from the owner's own mother — a celebration of tradition, authenticity, and love.

## BOHO

This boho-style interior exudes warmth and effortless charm. A blend of earthy tones, natural textures, and eclectic décor creates a relaxed and inviting atmosphere. Woven rattan furniture, macramé wall hangings, and mismatched vintage accents bring a touch of whimsy, while lush greenery and soft ambient lighting add to the cozy, free-spirited vibe. Perfect for a lovely family dining with a soulful twist, the space reflects a stylish bohemian beauty.

## OUTDOOR SITTING

Would be a space that would form the extension of the indoors onto the streets inviting customers to experience the hospitality we have to offer.
