

PROJECT NAME: MEMORIES MADE OFFICE INTERIORS LOOK & FEEL

Project Brief:

Client: A wedding planner seeking to redesign her office interiors.

Location: Sakhinaka

Area: 300 sqft office space

Objective: Create a warm, welcoming office space with elements of excitement and fun, reflecting the client's personal touch. The space should also incorporate a significant amount of greenery, as the client loves plants.

Process: The client initially presented various styles and reference images, leading to some confusion. We organized her ideas into categorized themes and developed mood boards that aligned with her preferences for her review.

Requirements:

- Warm and inviting atmosphere
- Elements of excitement and fun
- Abundant use of plants

Outcome: Presenting mood boards, detailed drawings based on the categorized ideas to guide the execution process.

LOOK & FEEL (OPTION 1)

Statement Green wall with similar colour laminate finish furniture (creates an happy inviting space)

Statement Green wall with similar colour laminate finish furniture , character of the space is enhanced by plants.

Reading space: Statement Green wall with lighter colour laminate finish furniture.
