2025 Fall

Community Cleanup Dumpsters November 25th thru December 2nd

In an effort to keep our neighborhood looking great, we have 2 forty yard dumpsters that will be delivered near the mailboxes and will provide enough room for residents to dispose of yard waste, large items, and debris that may be accumulating in and around the Hillcrest Bay homes.

The La Paz County Landfill/Transfer Station is available for large item disposal throughout the year. We encourage you to use this facility for items that cannot be broken down or stick out of the top of trash bins. The landfill is located at 26999 Hwy 95, Mile post 128 (near the golf course)
