

Large Trash Bin

It's that time again when we get inspired to clean up. Cleaning up our lots, remodeling, roofing project, removing old satellite dishes or just a little fall cleaning, it can generate a lot more waste than usual. To help manage the mess, the HOA Board has ordered an open-top roll-off, 40 cubic yard container, it will be located next to the mailboxes, and be in place from November 27th – December 3rd, for Thanksgiving weekend.

UNACCEPTABLE WASTE: The following materials are unacceptable, Hazardous, Toxic, Flammable, Medical or Infectious Waste, Batteries, Paint, Asbestos, Freon, and Tires.

Remember; The container is for the Homeowners in Hillcrest Bay, please pack it down, making room for all, do not fill above the level of the walls of the container keep it below the rim.

Keep in mind, larger items including appliances and couches, etc., can be taken to the Transfer Station year-round, *for FREE!*
