"Discovering Your Spiritual DNA" Unveils Secrets in deep places... by Debra A. Elrod
The unconscious mind's hidden Truth – inner healing & deliverance connection.

Nashville, TN

"Discovering Your Spiritual DNA," is an inspiring Bible Study book by Debra A. Elrod that guides readers on a journey of self-discovery and spiritual growth. In this powerful and transformative book, Debra provides a simple and practical step-by-step guide for readers to gain a basic understanding of their mind and soul's development, and how to apply the Word of God and be led by the Holy Spirit in their daily lives. Through this, readers can discern the natural from a supernatural perspective, combat strongholds at their origin, and unlock their divine purpose.

"Discovering Your Spiritual DNA" opens readers' eyes to the battle between the flesh and the enemy, who work together to keep the truth hidden in the dark recesses of the unconscious mind. This book offers a practical way to recognize dysfunctions and patterns that may be holding readers back from fulfilling their true potential.

Whether you are a new believer or a seasoned one, "Discovering Your Spiritual DNA" will help you gain a deeper understanding of your unique gifts and talents. By unlocking your Spiritual DNA, you will find a pathway to true spiritual growth and fulfillment.

"We are honored to publish Debra Elrod's transformative book, 'Discovering Your Spiritual DNA,'" said a spokesperson for Tall Pine Books. "It is the kind of book that you will read...and then read again. You will want to keep a pen in hand as you do."
