10:30 a.m. – Rolling auction order will be used for 2025

In order: champions of all species, star classes of all species, divisions of all species.

(1) Market goat

(2) Market lamb

(3) Market steer

(4) Market hog

“A Special Thanks to the Show Sponsors”

What is a Stockshow sponsor? A sponsor is someone who sees more than kids and animals at a Stockshow. A sponsor also sees hard work, responsibility, goal setting, management, determination, and success on display. A sponsor knows that a calf, lamb, goat, or hog can teach lessons that can't be learned in any other way and believes that those lessons are worth learning. Since 1939, exhibitors in the Southeastern Utah Jr. Livestock Show have relied upon generous sponsors for support. We invite all Stockshow sponsors, past and present, to join us at the show. As you sit in the bleachers, take a look around. You'll notice that yesterday's exhibitors are today's parents, leaders, and sponsors. Thanks for believing in our youth. Your support is paying off. The Stockshow Committee extends a special thanks to those businesses, families, and individuals who purchased animals and provided prizes and support in 2024.

The Southeastern Utah Jr. Livestock Show Committee extends special thanks to the following for 2024: Emery County Commissioners Keven Jensen, Lynn Sitterud and Jordan Leonard; Carbon County Commissioners Casey Hopes, Larry Jensen, and Tony Martines; Emery and Carbon Counties; Castle Dale City, Mayor Danny Van Wagoner, and city personnel; Ferron City Mayor & Council Trent Jackson, Laramie Morgan, Gerry Stotler, Ray Peterson, and Vance Brown; and Emery School District. Their support and assistance make the show possible.

We would also like to thank all of the local community and stockshow community members, from across the state, who stepped up to save the 2024 show after disaster struck. From large to small acts of helpfulness, there is no way to list everybody or everything that was done for us. Whether sending equipment, lending labor for set up and tearing down, or donating supplies, your irredeemable generosity and kindness were a blessing and there is no way to fully thank you all. A heart felt thank you to Cache Winn, Jake Thayn, McKray Christiansen, Sutherlands, Camilla & Orion Lopez, Stewarts Market, Spanish Fork Livestock Show Association & Jim Jensen, Ben Mangelsen, Delta Livestock Show Association & Trent Anderson, Shane Sorenson & family, Lee Jeffs, Randy Magnuson, Carbon County & Kirk McArthur, Emery Telcom & Jeff Curtis, Leon McElprang, Brooks Behling, Emery County Sanitation & Kent Wilson, Jay Humphries & Special Service District, Tyler Jeffs, TR Ranches, Joe Humphries, Braithwaite family, and Monroe Magnuson.

SOUTHEASTERN UTAH JUNIOR LIVESTOCK SHOW REGULATIONS

1. The Southeastern Utah Jr. Livestock Show and Sale is a non-profit institution devoted to educating people and improving livestock in Utah. Its primary concern is the development of young people and their interest toward better livestock.
2. Each exhibitor is responsible for loss or damage due to another or occasioned by or arising from an animal exhibited by him and shall indemnify the Southeastern Utah Jr. Livestock Show and Sale against all legal or other proceedings in regard thereto.
3. The Southeastern Utah Jr. Livestock Show and Sale Committee reserves the right to make all interpretations of any Stockshow rules and regulations.
4. **All protests must be made in writing and presented to the show president within two (2) hours after the cause of the protest, along with \$25.00 cash to be returned if the protest is upheld by the Stockshow Committee.**
5. **THE DECISION OF THE JUDGE IS FINAL.**
6. **Entry Information and Deadline:** All market and breeding animals must be entered on [Southeastern Utah Jr. Livestock Show's Fair Entry page](http://fairententry.com) (fairententry.com). Cash or checks will not be accepted. Entry fee for each market animal is \$20.00. Alternate animals may be entered without a fee but are limited to one alternate animal per species entered for the show [State rule B(3)]. Alternate animal entries may be used within a family when entered on all potential exhibitor's forms. Breeding animal entries are an additional \$20 for heifers and \$10 for sheep/goats per entry. For example, an exhibitor entering one hog and one goat, with one alternate hog and one alternate goat (which could be used by their sibling), and one breeding doe would have an entry cost of \$50. **Entries are due Monday, June 9, 2025, 10 pm MDT.** Online submissions must be filled out completely and entry fees paid before registration is considered received. *Late entries received between June 9th to June 16th will be charged a \$40.00 late fee per entry.* Entries submitted after this period will not be accepted, no

exceptions.

7. Market animals that have been sold or bought back at a previous livestock show cannot be exhibited or sold at this show.
8. Each exhibitor may enter no more than a total of two market animals. The animals may be from one species or any combination of two species. Exhibitors may enter any number of breeding beef or breeding sheep. Exhibitors may enter up to two breeding goats.
9. If an exhibitor needs to leave the show early, they must check out with the appropriate department head(s) before leaving the stockshow grounds or indicate they will be taking the animal home on their sale declaration form.

RULES FOR 4-H AND FFA

1. FFA exhibitors must be Bona Fide FFA members by February 1 of the current year. FFA and 4-H exhibitors must meet state Junior Livestock Association age guidelines.
2. FFA and 4-H exhibitors must comply with state Stockshow dress requirements in showmanship contests, market animal classes, breeding animal classes and the sale. Those violating dress standards will be excused from the class and/or sale.
3. Market animals must be exhibited by their owner in market classes, showmanship, and the sale. Exception: Exhibitors who have two animals called back for the championship class may ask another exhibitor to show one of the animals.
4. **Only market animals will be used for showmanship; breeding entries are not eligible.**
5. Commercial class exhibitors must be 4-H or FFA members.
6. A \$10.00 fine can be withheld from the check of exhibitors who fail to clean their pen or stall after their market animals are sold, or breeding animals exhibited. Pens should be kept tidy during the show. Exhibitors should clean up wool and hair clippings after animals are fitted.
7. FFA and 4-H exhibitors are encouraged to enter the showmanship contest. FFA and 4-H will compete together in showmanship according to age group. Showmanship classes are divided by the exhibitor's school grade as of September 1 of the previous calendar year.
8. In all events, three or more entries per class constitute competition. Classes may be combined at the discretion of the judge and Stockshow committee.

GENERAL INFORMATION

1. The market lamb, hog, goat and steer divisions will have a star class consisting of up to the top ten animals after the Grand and Reserve Champions (3rd through 12th place overall) as placed by the judge. The championship drive consists of those animals that are selected by the judge to compete for Grand Champion.
2. Premiums will be prorated and paid at the time of exhibit.
3. Exhibitors must furnish their own feed. Since it is increasingly difficult to obtain high quality bulk sawdust and shavings, **BEDDING WILL NOT BE PROVIDED BY SHOW MANAGEMENT.** Exhibitors must furnish their own bedding (must be biodegradable). No straw is allowed because of fire concerns.
4. In accordance with the Utah Junior Livestock Association Code of Ethics, Rule 5G, Grand and Reserve Champions may be tested for drug residues under the direction of the Stockshow Committee and veterinarian. Other market animals may be tested at random. The Code of Ethics describes penalties to be applied if illegal residues are detected.
5. Awards for Best of Carbon and Best of Emery across departments are granted through a

standardized rubric with rules and point distribution as described on page 11.

WEIGHING AND RECEIVING RULES

1. All animals must arrive at the show no later and weighed than 12:00 p.m. on Wednesday. There will be one official weigh-in with no weigh-backs. Market animals must remain on the grounds until released on Saturday. Breeding animal exhibitors are expected to leave the animals at the show. All animals must be released by the appropriate Department Head before leaving the show grounds.
2. Market animals that do not meet the minimum weight limit for their species will be sifted. Animals that are obviously sick, injured or otherwise unfit to be shown as market animals will be sifted. Sifted animals should be taken from the show grounds if practical. Animals sifted for failing to meet minimum weight limits may be used in the showmanship contest.
3. All sexually intact sheep or goats (male or female) that arrive at the show without a premises tag (in compliance with the Utah Scrapie Eradication Program) will be sifted.

SALE REGULATIONS

1. Each exhibitor may sell only one market animal through the Junior Livestock auction, unless the exhibitor shows two Grand Champion, two Reserve Champion, or a Grand and a Reserve Champion market animal. In these cases, both animals must be sold through the auction.
2. Grand, and Reserve Champion market lambs, steers, hogs and goats must be sold, and will automatically be placed in the sale order (see rules 3 & 4 below). Blue and Red ribbon animals will NOT be placed in the sale order unless the exhibitor turns in a completed sale declaration form (see rule 6, below).
3. Grand and Reserve Champions will be tattooed by the Stockshow Committee for identification purposes. Animals with this tattoo are not eligible to enter and show in any association member shows [see State Rule A(3)].
4. White ribbon market animals will not be sold through the sale ring and will not be floored.
5. Exhibitors who wish to have a blue or red ribbon market animal go through the sale **MUST** turn in a sale declaration form to the Stockshow Office (next to the sale ring) no later than **5:45 p.m. on Thursday, July 10** so that the Committee can complete the sale order.
EXHIBITORS WHO FAIL TO TURN IN A SALE DECLARATION FORM WILL NOT HAVE THEIR ANIMAL PLACED IN THE SALE ORDER.
6. Exhibitors who fail to bring their animal to the sale ring at the appointed time in the sale order will not be allowed to sell their animal until all other market animals of that species have been sold.
7. The Stockshow Committee reserves the right of ninety days, or until payment has been received from the buyer of the animal, for settlement of animals sold.
8. A maximum of five percent sale commission will be charged on all market animals sold including animals that are floored without going through the sale ring.
9. Each exhibitor is responsible for their stock until each animal is secured in the proper holding area following the sale.

Species test	Youth are eligible to take two tests for species they currently exhibit. Each species' test score will be used for points within their respective departments. The highest of the two scores will be used for Written Test Contest placement.	100
4-H or FFA Record Book	Points awarded are based on the percentage out of total possible points as scored by the judge.	100
Junior judging contest	Points awarded are based on ending score for the species being exhibited within a department.	50
Stockshow grounds clean-up	Maximum points are awarded for youth participation. If youth can not attend, a specific alternative two-hour service can be completed with <u>approval prior</u> to clean-up day by the species department head.	50
Clinic	Maximum points are awarded for youth with proof of participation in at least one qualifying feed or fitting/showmanship clinic.	50
(Beef ADG)	Only for youth showing beef, points for average daily gain will be calculated based off of a percentage of the highest rate of gain calculated for the year.	(50)
The following order will be used to break a tie when needed: 1) Showmanship placement 2) Market placement 3) Species test (%) 4) Record book/portfolio score (%) 5) Junior judging contest score		

Updated 2024

BEEF
DEPARTMENT HEAD – RYAN MILLS

General Rules:

1. All breeding cattle from the State of Utah must be from a brucellosis-free herd. No breeding cattle from a quarantined herd will be admitted to the show. Cattle from outside of the State of Utah must have passed a negative bangs test 30 days prior to the show and must demonstrate a health certificate certifying the test.
2. All market steers must have a brand inspection certificate present when the animals are received on the grounds. A Bill of Sale is NOT an acceptable substitute for a brand inspection.
3. Cattle exhibits must be fit for show and halter broken. Uncontrollable cattle will be sifted.
4. All cattle must have a neck rope when tied in their stall. This will prevent the animals from escaping if their halter slips off. If animals are left without a neck rope, the Stockshow Committee will provide a rope and the exhibitor will be billed \$10.
5. Exhibitors are encouraged to exhibit breeding beef, but should not enter more animals than they can reasonably prepare and show.
6. Animals with horns more than 2 inches long will not be allowed to show.

DIVISION A—MARKET STEERS
DIRECTOR – RYAN MILLS

Rules for Market Steers:

1. Market steers will be classed Blue Ribbon (Choice), Red Ribbon (Select), or White Ribbon (Standard). The judge may also consider structural correctness when placing animals.
2. **Because of concerns about drug residues, steers that have been under the care of a veterinarian within 45 days before the livestock show will be sifted.**
3. Market steers under 1000 lbs. will be sifted.
4. Market steers may be mouthed at random by the show committee and steers over 24 months of age will be sifted. Age will be determined by examining the animal's teeth. Steers may have no more than two permanent teeth, with all other teeth in place being baby teeth.

DIVISION B—BREEDING BEEF
DIRECTOR – RYAN MILLS

Rules for Junior Breeding Beef:

1. Any 4-H, FFA, or Jr. Breed Association member may exhibit cattle. The age limits for Junior exhibitors are outlined in the State Stockshow regulations, General rule number 1.
2. Ownership and record keeping requirements for Junior exhibitors are outlined in the State Stockshow Rules under Breeding Rules, number 1.
3. Breeding animal classes are subject to change, depending upon entries.

Classes for Junior Breeding Beef:

Registered Heifers 12 to 26 mo.

Commercial Heifers 12 to 26 mo.

Junior Breeding Beef:

1. The junior breeding beef show is open to any exhibitor regardless of experience. The minimum age limit for exhibitors is the minimum age specified in State Stockshow Regulations, General rule #1.
2. Cattle must be registered with their respective breed associations. All breeds are eligible to compete and will be shown together. One Champion and one Reserve Champion will be selected in each division.
3. Heifers will be 30 months of age and younger.
5. Cattle will be divided into age classes in both divisions on a futurity basis with no less than 3 head per class.

* Bull classes (1-2 year) for Breeding Beef will return in 2026 with enough youth participation

DIVISION C—BEEF SHOWMANSHIP

DIRECTOR – RYAN MILLS

Classes for Beef Showmanship (Grade as of September 1 of the previous calendar year):

Class 5 – Beef Showmanship Grades 9 through 12

Class 6 – Beef Showmanship Grades 6 through 8

Class 7 – Beef Showmanship Grades 3 through 5

Rules for Beef Showmanship:

1. All exhibitors should enter or attend.
2. Exhibitors must use their own market steer for steer showmanship contest and their own heifer for heifer showmanship.

SWINE

DEPARTMENT HEAD – JESSICA WHIMPEY

DIVISION D—MARKET HOGS

Rules for Market Hogs:

1. Market Hogs will be classed: Blue Ribbon (U.S. No. 1), Red Ribbon (U.S. No. 2), and White Ribbon (U.S. No. 3). The judge may also consider structural correctness when placing animals.
2. Market hogs under 230 lbs will be sifted.
3. Exhibiting classes will be divided according to weight and gender, with barrows and gilts exhibited separately. Grand and Reserve Champions and a Star Class will be selected in both the barrow and gilt division, with the Grand and Reserve barrows and gilts competing for overall Grand and Reserve Champion.
4. **Hogs must be clean and trimmed before arriving at the show. No hog clipping is allowed on show grounds. Eartags must be clean at weigh-in with clearly legible numbers.**
5. **Hogs must be in their pens by 1:00 p.m. on Wednesday. Hogs will have constant access to drinking water.**
6. This is not a terminal hog show; however, it is recommended that hogs go directly to slaughter after the show to minimize disease risk.

DIVISION E—SWINE SHOWMANSHIP

Classes for Swine Showmanship (Grade as of September 1 of the previous calendar year):

Senior Swine Showmanship - Grades 9 through 12

Intermediate Swine Showmanship - Grades 7 & 8

Junior Swine Showmanship - Grades 5 & 6

Beginner Swine Showmanship - Grades 3 & 4

Rules for Swine Showmanship:

1. All exhibitors should enter or attend. Exhibitors must indicate at weigh-in whether or not they will participate in Showmanship.
2. Exhibitors must use their own market animal for the showmanship contest.

SHEEP

DEPARTMENT HEAD – KAYLEE MORRIS

DIVISION F—MARKET LAMBS

DIRECTOR – SARAH BREWER

Rules for Market Lambs:

1. Market lambs will be classed: Blue Ribbon (Prime), Red Ribbon (Choice), and White Ribbon (Good). The judge may also consider structural correctness when placing animals.
2. Market lambs will be examined by a veterinarian prior to weigh-in and will be sifted if:
 - a. The lamb has shed lamb teeth or erupted adult teeth.
 - b. The lamb has club lamb fungus.
 - c. The lamb does not meet state tail dock requirements.
3. Market lambs weighing less than 100 lbs will be sifted. Lambs over 150 lbs will be sold at 150 lbs.
4. All male market lambs must be wethers.
5. Exhibit classes will be divided according to weight.
6. Market lambs cannot be shown in breeding.
7. Market lambs must be clean and slick shorn (show ready) when they arrive for weigh-in. Market lambs that are not slick shorn when presented for weigh-in will be sifted. Lambs with clinging manure, etc. will not be weighed until they are cleaned. No butt patterns are allowed.
8. Those planning to participate in Showmanship take notice of Division H, Rule 2.

DIVISION G—BREEDING SHEEP

DIRECTOR – KRISTEN VOSE

Meat Breeds (Hampshire & Suffolk):

1. Ram Lambs
2. Ewe lambs

Rules for Breeding Sheep:

1. All breeding animals will be weighed/inspected during official weigh-in.
2. All breeding sheep will be checked by a veterinarian upon arrival at the show grounds. Animals with club lamb fungus will be sifted.
3. All breeding sheep will be shown in Junior class.

4. All breeding sheep must be in show shape and fit. Exhibitors who fail to clean up and dispose of their wool clippings will be fined \$10.

DIVISION H—SHEEP SHOWMANSHIP

DIRECTOR – KAYLEE MORRIS

Classes for Sheep Showmanship:

(Grade as of September 1 of the previous calendar year)

Senior Sheep Showmanship - Grades 9 through 12

Intermediate Sheep Showmanship - Grades 7 & 8

Junior Sheep Showmanship - Grades 5 & 6

Beginner Sheep Showmanship - Grades 3 & 4

Rules for Sheep Showmanship:

1. Exhibitors must use their own market animal for the showmanship contest. Take note of Division F, Rule 7.

GOATS

DEPARTMENT HEAD-SHARMON GILBERT

DIVISION I- MARKET, BREEDING AND SHOWMANSHIP

DIRECTOR – KRISTI RASMUSSEN

SECRETARY - KARI STAPLES

General rules for goats (Also refer to SE Utah Jr. Livestock Show regulations as well as Utah Junior Livestock Show Association official rules.)

1. Goats shall be healthy and free of any visible diseases.
2. Exhibitors will be allowed to use halters or collars in the show ring.
3. Animals that endanger exhibitor(s) or are unmanageable will be removed from the show.
4. Goats should be shorn uniformly 3/8" or less above the knees and the hocks before arriving at the show grounds. Goats entered in market and showmanship must be shorn. This is optional for breeding stock.
5. All goats that are shorn need to be done prior to entering the show grounds. **NO shearing on show grounds will be allowed.** A \$20.00 clean-up fee will be charged for violation.
6. All does must have a scrapie tag placed prior to entering the show grounds.
7. No drenching by stomach tube will be allowed on show grounds.

MARKET GOATS

The market goat show and sale is open to 4-H and FFA youth who meet age and eligibility guidelines for Junior Livestock Shows. Market goat exhibitors are subject to the same sale regulations as other market animal exhibitors at the SE Utah Junior Livestock Show.

1. **The minimum weight for market goats is 50 lbs.**
2. All goats may have their mouth checked. Any goat that has lost any milk teeth at weigh-in will be disqualified.

3. Market classes are open to both wethers and does and they will be shown together. Does must have a scrapie tag. Please note, does shown in market class **may not** be shown in breeding stock classes.
4. Males must be castrated prior to entering the show grounds.
5. Market classes will be organized and divided as evenly as possible into weight categories at the discretion of the members of the goat department and classes will be determined after weigh-in.
6. An exhibitor, who has two market goats of similar weight, may have one placed in a heavier or lighter weight category to allow the exhibitor to show his or her own animal. Again, the placement will be determined by the goat department committee.

BREEDING GOATS

Breeding stock classes are used to encourage youth to gain more experience and skills with their livestock project. They learn so much more about animal husbandry as they help develop their own breeding programs. **Goats shown in breeding stock should help provide this experience and shall be the exhibitor's own animals.** Borrowing or showing someone else's animal in breeding stock does not give youth this intended experience and is not allowed.

1. **All** breeding stock must have a scrapie tag placed prior to entering the show grounds.
2. Goats shown in breeding stock may or may not be shorn.
3. All breeding stock may have their mouth checked and must not have any missing milk teeth.
4. All breeding stock entries must be entered on Fair Entry with the same deadline as market and showmanship. All fees must be paid at this time. No late entries will be accepted.
5. The doe's scrapie tag number will be used for the identifying tag number for the entry. Two does may be entered per exhibitor. One alternate may also be entered.
6. Does will be weighed in at the same time as market goat weigh in. They must be healthy and show no sign of contagious disease. There is no minimum weight requirement.
7. Does will be assigned classes according to their weight but may be moved to enable exhibitors to show their own animal.
8. Does shown in breeding classes are not eligible to be shown in market or showmanship classes.
9. Buck classes have been discontinued.

RULES FOR SHOWMANSHIP

1. All exhibitors should enter or attend.
2. Exhibitors must indicate on the Fairentry entry form and at weigh-in if they will participate in showmanship.
3. Exhibitors must use their own **market** animal for the showmanship contest. No breeding stock may be used in showmanship.

4. Exhibitors who have a market animal that did not make the required minimum weight of 50 pounds may still use that animal to show in showmanship. Goats used in showmanship need to be shorn and groomed.

DIVISION J—ROUND ROBIN SHOWMANSHIP CONTEST

DIRECTORS – JUSTIN THORNLEY & JACIE WILKINS

Award: Trophy Belt Buckle to the Champion Showman

In Round Robin Showmanship, exhibitors test their skills in showing beef, sheep, goats and swine. Eligible contestants are the Champion showmen from the Intermediate and Senior age groups in each of those species. Contestants will be judged for showmanship with their own animal and their showmanship with the other three species.

Rules for Round Robin Showmanship:

1. Intermediate and Senior Showmanship Champions from the Beef, Sheep, Goat and Swine Departments are eligible to show in the Round Robin Contest. If one of the Champion Showmen does not participate, the Reserve Champion may take his/her place.
2. Each exhibitor will show his/her own animal in the contest. After each has been judged showing their own animal, exhibitors will rotate to the next species, and continue until each of the eight exhibitors has been judged with each species.
3. Contestants will be judged on a system which awards points for ability and knowledge. The high point individual will be the Round Robin Showmanship Champion.

DIVISION K—JUDGING CONTESTS

DIRECTORS –JUSTIN THORNLEY, STEVEN PRICE & ROWE ZWAHLEN

Rules for Judging Contest:

1. All 4-H, FFA, and other interested parties are invited to participate. Classes of beef, swine, sheep and goats may be judged.
2. Divisions will consist of FFA, Senior, Intermediate, and Junior classes. Participants will compete individually. The top five contestants in each division will be recognized.

DIVISION L— PORTFOLIO AND RESUME CONTEST, ALL SPECIES

DIRECTORS – STEVE PRICE, ROWE ZWAHLEN & JUSTIN THORNLEY

1. Contestants must be exhibitors in the Southeastern Utah Jr. Livestock Show.
2. Contestants must be 4-H members or FFA members.
3. FFA record book and 4-H portfolio entries must be turned in at the announcer's stand by 12:30 p.m. on Wednesday, July 9.
4. Only [portfolios](#) (cover letter + resume) are accepted for 4-H and not “record book” folders.
5. Premiums will be paid on all blue and red ribbon record books and portfolios.

DIVISION M—WRITTEN TEST

DIRECTORS – STEVEN PRICE & ROWE ZWAHLEN

1. Contestants must be 4-H or FFA exhibitors at the Southeastern Utah Junior Livestock Show.
2. Contestants will be divided by species (Beef, Sheep, Swine, Goat) and by age class (Junior, Intermediate, Senior).
3. Youth are eligible to take up to two species-specific tests for species they are registered to exhibit. Each score will be used for points within their respective departments for “Best Of” contests. The highest of the two scores will be used for the individual’s placement within the Written Test Contest.
4. Test questions will be taken from the SEUJLS Premium Book and 4-H Livestock Resource Handbooks published by The Ohio State University:
Circular 134R Swine Resource Handbook
Circular 117R Beef Resource Handbook
Circular 194R Sheep Resource Handbook
Circular 135R Goat Resource Handbook
Handbooks can be ordered from OSU (<https://extensionpubs.osu.edu/4-h>)
5. Test questions will be taken from the following chapters within each exhibitor age class.

<i>Species</i>	<i>Junior</i>	<i>Intermediate</i>	<i>Senior</i>
Goats	Ch. 1-5	Ch. 1-10	Ch. 1-15
Sheep	Ch. 1-4	Ch. 1-8	Ch. 1-13
Swine	Ch. 1-8	Ch. 1-16	Ch. 1-25
Beef	Ch. 1-5	Ch. 1-10	Ch. 1-15

6. Prizes will include cash awards.

DIVISION N—RABBIT SHOW

DEPARTMENT HEAD – HAYLEE THOMAS

1. Rabbits do not need to be pedigreed or registered, or meet ARBA standards; however, exhibitors are encouraged to breed and show quality individuals. Mixed breed rabbits or purebreds that do not meet breed standards will be shown as pet rabbits.
2. Rabbits may be shown in each class of a variety by the same exhibitor. The show committee reserves the right to combine classes if less than 2 rabbits are entered in each class. Any one variety or breed that averages at least 3 entries per class will be shown separately.
3. Animals with the following illnesses or ailments will be disqualified: malocclusion (bad teeth), weepy eyes, mucous in nose, blindness, abscesses, or broken limbs. Please check rabbits prior to bringing them to the show to make sure they are in good health.
5. ENTRY INFORMATION: The entry fee is \$3.00 per rabbit. Any sales will be private treaty. Fill out entry forms with the correct information for each rabbit you exhibit.

Junior Buck or Doe: Age up to 6 months

Intermediate Buck or Doe: 6 to 8 months of age

Senior Buck or Doe: 8 months of age or over

Mini Class exhibitors (less than 8 years of age) will receive participation ribbons and \$2.00 premium. All rabbits will be combined. Number of entries will determine classes. If you have questions, contact Peggy Johansen-Kremers (435-630-0971) or Haylee Thomas (435-820-4220)

UTAH JUNIOR LIVESTOCK SHOW ASSOCIATION 2025 RULES

These rules and guidelines are aimed at standardizing junior livestock shows in Utah. Standardization will help provide the best possible educational experience for the young people in the state of Utah who have 4-H or FFA livestock projects. The Utah Junior Livestock Show Association is given this responsibility by the Utah Administrative Rule R65-8 and Utah Code Section 4-2-103(1)(i), 103(1)(m) through the Utah Department of Agriculture and the Utah Legislature. **These rules are to be in effect at any show receiving funds through the Association.** Every effort has been made to ensure the accuracy of this information as it is distributed or published by member shows. However, exhibitors are cautioned that the current rules and regulations of the Utah Junior Livestock Show Association, as interpreted by the officers of the Association, will take precedence over such listings due to the possibility of typographical error or inadvertent omission.

A Total Experience: Exhibitors are encouraged to participate in the complete educational opportunity that junior livestock shows provide, such as the rate of gain, carcass, fitting and showing, record book, and livestock judging contests along with the judging of market and breeding animals. It is the purpose of these projects to develop life skills, animal husbandry and marketing skills among the participants.

Tagging: All animals must be tagged with standardized tags to be eligible to show at any Utah Junior Livestock Association supported show. Exhibitors will be verified as 4-H and FFA members in good standing by their county office or FFA advisor. Contact your county extension staff, FFA advisor, or show director for specifics on tagging animals and being verified within your county. See tagging policy, B. Market Animal Rules: 2. Tagging

A. GENERAL RULES

1. Age: -- Utah 4-H Age Divisions are based on a child's school grade. The Utah 4-H year will begin on September 1

- Junior 4-H Members 3rd* through 5th Grade
- Intermediate 4-H Members 6th through 8th Grade
- Senior 4-H Members 9th through 12th Grade

*Youth MUST be age 8 AND in 3rd grade to participate in large animal projects. Youth turning 8 AND in 3rd grade may participate after their 8th birthday during the 4-H year. Please note that youth must turn 8 by the ownership deadline (100 days prior to the show for cattle, 60 days prior to the show for sheep, goats, and hogs) to participate in the livestock program.

2. Group Affiliation -- An exhibitor may enter a given show only as a 4-H or FFA member, but not both. Exhibitors must declare one or the other at time of entry.

3. Ownership of animals - The exhibitor will own, possess, feed, and care for his/her project animal(s) for not less than 100 consecutive days for market beef and 60 consecutive days for market swine, market sheep and market goats immediately prior to the opening day of the show in which they intend to participate. No interruption of ownership or possession can occur. Overall grand and reserve champion market animals in each species will be tattooed in the left ear with a CH for champion. Animals with this tattoo are not eligible to enter and show in any show sanctioned by the Utah Junior Livestock Association.

4. Fitting on show grounds -- Parents, guardians, siblings, club leaders, extension/4-H agents and FFA advisors may assist and are encouraged to assist the younger exhibitors. However, each exhibitor must be working with the project animal and be in attendance with that animal during the entire fitting process.

5. Code of Ethics (rules 5a through 5i) – The following practices or procedures are unacceptable in the care, fitting, preparation and showing of all classes of livestock. Any violation of association rules or specific rules as designated by individual fairs and livestock shows may result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in Association member shows. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels. Other member shows will be notified of any action taken by show management, which may affect the eligibility of the individual, group, or sponsoring organization for participation at other shows. The decision of the livestock show management will be final.

- a. The use of any drug, tranquilizer, sedative, or depressant, which alters the psychological or physiological state of the animal, is illegal. Exceptions to this rule would be licensed, certified veterinarians, treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The drugs must be approved by the Food and Drug Administration for use in meat producing animals. All exhibitors will advise show management of any drug and/or medication administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time, and date of administration will be presented to show management prior to the showing and sale of the animals. Failure to report this information will result in severe penalties and/or disqualification. Any use of drugs or substances not approved by the Food and Drug Administration is strictly prohibited. All animals entered into livestock competition will be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA, or EPA. This includes any non-labeled feed additives or substances not approved for that species. During the livestock event, in the case of an animal requiring treatment, all medication shall be administered by a licensed veterinarian and the livestock show officials shall be notified. Use of an illegal drug is considered a premeditated act and any information obtained in the practice of illegal alteration of any animal will be turned over to the proper authorities for possible criminal prosecution.
- b. Surgery, injection or insertion of foreign material under the skin and/or into the flesh of animal to change the natural contour, conformation, or appearance of an animal's body is illegal. This includes vegetable oil, silicon, or any other substance used to alter an animal's shape. Acceptable practices of physical preparations, which are allowed, include: clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.
- c. Each exhibitor has absolute responsibility for the care and condition of the animal(s) they enter and bring to the show.
- d. The use of inhumane fitting, showing, and handling practices or devices shall not be tolerated. For example: breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, etc. is not acceptable.
- e. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.
- f. Market grand and reserve champion animals that pass through a sale, may be drug tested, at the discretion of the show.
- g. At the time an animal is sold at auction at the livestock show, the exhibitors shall be held directly responsible for animals that are rejected at the processing center for any reason. The seller may be liable to the buyer for an amount equal to three times the purchase price and may also be liable for attorney's fees and civil penalties. Show management may share acceptable intelligence and evidence information with FDA or USDA. If, for any reason, the FDA or

USDA inspectors must remove any part of a meat animal carcass, the market price will be discounted.

h. Show management reserves the right to require animal health certificates. Health inspection and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or to inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials.

6. Code of Conduct - All 4-H and FFA members, family members, and associates will exhibit good sportsmanship at all times. Every exhibitor, family member and associate of exhibitor, is required to follow the Utah 4-H and Utah FFA Code of Conduct at any Utah Junior Livestock Association sponsored event. Here are a few points from the Code of Conduct that we want to remind you:

- Have positive character and behavior
- Follow guidelines and rules
- Be responsive to reasonable requests of show management and event staff
- Be respectful of the safety of others
- Dress appropriately, use appropriate language, and respect the rights of others
- Be respectful of property
- Do not behave recklessly, assault, threaten, or harm another person.

Be aware that abuse of animals or people of any kind by any member or associate will be cause for disqualification of the 4-H or FFA exhibitor. If any participant, volunteer, or associate violates the Code of Conduct or jeopardizes the safe environment of any Utah Junior Livestock Association sponsored activity or event, that individual will be subject to suspension from further Utah Junior Livestock Association activities. A suspension is appropriate if there are multiple written statements regarding the aforementioned behaviors, and if measures have been taken to correct the behavior with no change. Each situation is evaluated individually and will be discussed with county 4-H and FFA faculty and staff as appropriate to determine when the suspension can or will be lifted.

7. Dress Code – 4-H - A long or short sleeve shirt, which fastens down the front with a collar, is mandatory. Shirts must be solid white in color and need not be Western style. Black or blue pants are to be worn. **4-H patch with the 4-H emblem must be worn on the upper left sleeve.**

Patches must be visible during the event. No patch or patch not visible is not considered Official 4-H Dress. Acceptable patches include any previously manufactured USU patch or other 4-H patches available for purchase through the 4-H mall that includes a big clover. These are available online at <https://shop4-h.org>. Embroidered or screen printed 4-H clover emblem are acceptable. Questions regarding official 4-H dress will be deferred to the Utah 4-H Website or the Utah 4-H representative in attendance of the show. **FFA** - Either a white shirt, tie and FFA jacket, or a white collared shirt with the FFA emblem and tie. **The following will not be allowed:** T-shirts, tank tops, tube tops, sleeveless shirts and vests. Exhibitors who fail to abide by dress standards will forfeit prize money.

8. Sales Fee - A sales fee not to exceed 5% will be withheld from sales checks by all state-assisted shows. Any purchaser(s) of animals from a Junior Livestock Show Auction must pay the Show the full purchase price of sale regardless of buy-back.

9. Show Eligibility - Animals are eligible for any show for which they meet ownership and show requirements.

10. Change of Ownership - Once an animal has gone through any stockshow sale, regardless of buyback or no-sale, it is no longer eligible to enter a state assisted show.

11. Lamb Docking Rule – Scientific research indicates that the incidence of rectal prolapsed is reduced when the tail is docked in a non-extreme manner. The recommended method is to dock at

the distal end on the caudal fold (3rd caudal vertebra). Complete tail removal (extreme docking) is not an accepted sheep production practice and is discouraged for all Utah Junior Livestock sheep projects. Market lambs or breeding sheep showing any signs of contagious disease or current or recent signs of prolapse, or with an open sore on the dock (rosebud), will be sifted from Utah Junior Livestock Shows at the discretion of the state show vet at the time of weigh in and their determination is final.

B. MARKET ANIMAL RULES:

1. Drug Withdrawal -- It is unethical, and in most cases even unlawful to administer drugs to livestock within 20 to 30 days of slaughter. Animals too unmanageable to show should be withdrawn from their class rather than be tranquilized. The local show committee and the show veterinarian will monitor this situation. By federal regulations, random testing will occur at slaughter, and animals will be condemned which have been given any injection or oral dosages of tranquilizers, pain killers, antibiotics, diuretics, steroids, or other foreign substances during withdrawal periods before slaughter. All sales money will be withheld in such cases. Bloat medicine and other medications with no withdrawal requirements may be permissible. Exhibitors need to be aware of potential health hazards to consumers who eat animals that have received any above-mentioned substances. Please do not put someone's life in jeopardy.

2. Tagging – Tagging policy and deadlines found at <https://utahjuniorlivestock.com/junior-livestock-tags>. Should a tag be lost or pulled out of an animal's ear, the exhibitor will advise the county extension staff, FFA advisor, or show director immediately so that the tag can be replaced.

3. Entry Forms & Deadlines – Exhibitors must check with each livestock show for entry deadline for that specific show. Exhibitors are responsible for mailing their own entry form. Entries postmarked by that date will be accepted. Exhibitors must declare which animals are to be shown and submit an entry form and entry fees to the appropriate shows, including State Association ear tag numbers. The tag number and alternate tag number must be specified on the exhibitor entry form to be eligible. Entries may not exceed the limits for each show (see form 4) including one alternate animal per species entered. Forms must be signed by a proper Extension/4-H agent or FFA advisor to verify exhibitor and animals are a legitimate entry for the show they are entering. Extension/4-H agents or FFA advisors should only sign forms for those youth enrolled in their programs. The Extension/4-H agent or FFA advisor and parents will verify eligibility for group and family feeding programs. Entry forms for fitting and showmanship classes must also be submitted by the entry deadline of the show and need to indicate class to be entered (species) and age of exhibitor. Entry fees will not be withheld from sales checks. Entry fees are to be sent along with all entry forms.

[For SEUJLS, entries need to be completed through FairEntry by deadline in SEUJLS Rule 6]

4. Poultry - In keeping with the desire to help eliminate disease problems, certain counties will not be eligible to receive turkey poultry from the Moroni hatchery. Exhibitors may, however, have turkey projects along with family commercial operations. An exhibitor will own, feed and care for his/her project turkeys for not less than 20 weeks prior to the turkey show. Birds must not be more than 24 weeks of age at the time of the show.

C. BREEDING ANIMALS:

Exhibitors are encouraged to expand their scope of livestock project experience to include breeding livestock projects.

D. RULE ENFORCEMENT:

The local show has the responsibility to enforce the rules and regulations at their show. Any further action needs to be submitted in writing to the Utah State Junior Livestock Shows Association Board. Shows that do not comply with and enforce the rules adopted may lose

Association funding. If immediate action is needed, the board of the Utah State Junior Livestock Shows Association is empowered to make the ruling decision. The State Veterinarian has the final ruling on lamb tail docking and any health issues.

UTAH JUNIOR LIVESTOCK SHOW ASSOCIATION RULES for member show organizers
RULES:

All member shows must print or publish the Utah Junior Livestock Show Association Official Rules in effect for that year and any conflicting local show rules must be eliminated. Once individual shows publish rules for that given year, every effort should be made to follow and uphold that was published. All shows must be represented at the annual meeting, or a \$100.00 penalty is to be paid by the show to the Utah Junior Livestock Show Association. Any show that has not turned in their annual show report form by the annual meeting is required to pay a \$100.00 penalty to the Utah Junior Livestock Show Association.

NEW SHOW ELIGIBILITY: Any established show that makes application for funding from the Utah State Junior Livestock Shows Association must provide the required numbers from their previous year's show. New shows must exist one year before receiving funding in order to establish base line numbers.

2024 Grand and Reserve Champions

Grand Champion Lamb

Exhibited by Jaxsten Thayn (Elmo)

Sold for \$2,643.37

Buyers: Best Tech Automotive, Castle Valley Supply, Cowboy Club, Desert View Federal Credit Union, Emery Telcom, Huntington Parts City, IFA of Price, Cody Jensen, JN Auto, Jones Ace Hardware, Kay Electric, Bruce & Peggy Kremers, Landon's Diesel, Mangelson Farm, Rafter L Goats, SEUJLS, Thayn's Custom Leather, Western Ridge Concrete, Savage Services, Rocking R Boer Goats, Mountain County Equipment, Eastern Utah Community Credit Union, Delsco Northwest

Reserve Champion Lamb

Exhibited by Wyatt Mangelson (Payson)

Sold for \$1,147.12

Buyers: Delsco Northwest, Cody Jensen, Mangelson Farm, Payson Livestock Boosters, Darann Smith, Sorensen Family, Thayn's Boer Goats, Thayn's Custom Leather, Savage Services

Grand Champion Goat

Exhibited by CJ Lindsay (Venice)

Sold for \$2,175.49

Buyers: Bryan Ottesen, Castle Valley Supply, Dennis Leird Construction, Diamond W Livestock, Producers Livestock Salina, Gilbert Zebra Ranch, IFA of Richfield, Landon's Diesel, Rafter L Goats, Rocking R Boer Goats, Skelley Show Goats, Darran Smith, Thayn's Boer Goats, Thayn's Custom Leather, Western Ag Credit - Richfield, Savage Services, Nielsen Livestock, Lazy J Heart Goat, Cody Jensen, Gilbert Goats, Delsco Northwest

Reserve Champion Goat

Exhibited by Baylor Williams (Salem)

Sold for \$2,534.12

Buyers: Bar S Construction, Delsco Northwest, Producers Livestock Salina, Larson CPAs, Producers Livestock, Darann Smith, West Mountain Livestock Boosters, Western Ag Credit - Spanish Fork, Cash & Sarah Williams, Mont & Kim Williams, Savage Services, Lazy Heart J Goats

Grand Champion Hog

Exhibited by Dayton Worwood (Ferron)

Sold for \$2,239.62

Buyers: Worwood Show Pigs, Emery Telcom, D.C. Welding and Construction, Castle Valley Supply, Dennis Worwood Family, GM Fertilizer Inc., Savage Services, Cowboy Club, Diamond E Farms, IFA of Price, Cody Jensen, Mountain County Equipment, Delsco Northwest, Ferron Canal & Reservoir, Best Tech Automotive, Eastern Utah Community Credit Union, Gilbert Zebra Ranch, Buck Parrish, Kay Electric

Reserve Champion Hog

Exhibited by Jake Eyre (Central Valley)

Sold for \$1,056.87

Buyers: Jake Thayn, Keven Jensen, Savage Services, Worwood Show Pigs, Delsco Northwest, Flying M Livestock & Auctioneer Services

Grand Champion Steer

Exhibited by Allie McKee (Lapoint)

Sold for \$13,877.12

Buyers: Banks Cattle, Norm & Natalie Banks, Basin Irrigation, Branson & Maggie Mott, C&C Land & Livestock, Cal & Debbie Potter, Circle Dot Ranch, D.C. Welding & Construction, Delsco Northwest, GM Fertilizer Inc., Key Lix, Western Ag Credit – Richfield, Savage Services

Reserve Champion Steer

Exhibited by Daxton Aiken (Cedar City)

Sold for \$4,785.62

Buyers: Milt's Stage Stop & Rusty's Ranch House, Animal Health International, Cash & Sarah Williams, Savage Services, Delsco Northwest
