What are Landscape Lights?

Landscape lights are professionally installed RGBWW LED fixtures, custom placed around your yard to provide a stunning uplighting effect. Perfect for **highlighting trees, greenery, entrance signs, architectural features, and enhancing outdoor security.**

What Can They Do?

With the Gemstone Lights™ app, you can create endless looks, use smart scheduling, and run animations. **Perfect for everyday use, holiday lighting and everything in between.**

Our landscape lighting works seamlessly with our **deck and permanent outdoor lights**, giving you one connected lighting system for your entire home.
