# Make History With an **AMERICA25**★ *Movie Series*

July 4, 2026, marks the 250th anniversary of American independence – a once-in-a-generation celebration already sparking national excitement. Movie events offer an easy, meaningful way to bring your community together to honor this milestone.

## Why Movies Work

Movie events are simple to plan, affordable to host and a perfect way to weave patriotic themes into your programming. In fact, patriotic movie events attract up to three times more attendees than typical community programs, making them one of the most powerful and inclusive ways to celebrate America250.

### Event Ideas:

**Host a Patriotic Series:** Plan a three-part “American Stories” series leading up to July 4.

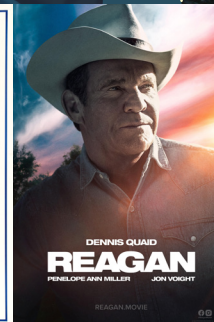

**Add Themed Enhancements:** Open with the national anthem, trivia, or red-white-and-blue concessions.

**Partner for Impact:** Invite veterans’ groups or local historical societies to co-host events.
