Also present was Mayor Mimi (Angelica) Wutz, Renee Swancer, Secretary/Treasurer, Ann Carras, Water Rent Collector, Claude Confer, Darrel Hockenberry and Chris Shultz from the American Red Cross.

The regular meeting was not held because no quorum was present. Attending Council members decided to hold a work session. No decisions were made at the meeting only general discussion took place.

Chris Shultz – American Red Cross. Ms. Shultz attended to discuss a smoke detector replacement/installation program and home fire protection campaign the Red Cross is sponsoring. The Red Cross comes into communities and goes door-to-door to meet with home owners offering to replace existing and/or install new smoke detectors. The new smoke detectors meet all required State Codes. While meeting with home owners, Red Cross volunteers will discuss home fire protection measures and safety education. The Red Cross would like to visit Unionville Borough on October 3, 2019 between 9:00 AM to Noon. If residents are not home during this time, door hangers will be placed and home owners can contact the Red Cross to make alternative arrangements to come back. The Council members expressed their support for the program and welcomed the Red Cross to canvas on October 3rd. Ms. Shultz will provide the Secretary with information to place on the website for home owners.

Snow Bids. Mr. Runkle opened the snow bids and the Council reviewed the bids. Bids will be awarded at the October regular meeting.
