## “Sound the Alarm”—American Red Cross Event

This event is coming to Unionville on October 3, 2019 from 9:00 a.m. – 12:00 noon!

Part of the Red Cross Home Fire Campaign to reduce fire deaths and injuries—volunteers will be going door-to-door with community partners to **install free smoke alarms** and help families create escape plans throughout the Borough!

“Smoke alarms cut the risk of dying in a home fire by half,” said American Red Cross President & CEO Gail McGovern. “Every day across this country, home fires threaten families—but working smoke alarms can be the difference between survival and tragedy.”

Interested residents can visit [redcross.org/gpahomefire](https://redcross.org/gpahomefire) to get involved with this Red Cross home fire safety and smoke alarm installation event.

If you are unable to be home during the install time, please call 717.439.8729 and leave a message. Questions or need further information? Call Chriss Schultz at 717.234.3101
