Vandalism at Borough Park

Sadly, the Unionville Borough Park has been subject to repeated acts of vandalism costing the tax payers of Unionville Borough funds to restore the damage done. Baseball fields have been destroyed by careless joy riding and spindles on the pavilion broken. Borough Council asks all residents to watch for any suspicious activity and either report it to the State Police or call any Council member. Destruction of public property is a serious crime.

Heaters

Never plug into extension cords and follow all manufacture specifications.

Burning Ordinance within Borough

Unionville Borough does have a Burning Ordinance. Please make sure you do not violate its provisions.

The Ordinance prohibits the burning of:

Garbage: All animal and vegetable matter resulting from the handling, preparation, cooking and consumption of food.

Rubbish. All solid or liquid materials including, but not limited to rags, old clothes, leather, rubber, carpets, wood, plastics, tires, petroleum products, shingles, furniture, tin cans, glass, crockery, and similar materials.

Trade Waste. All solid or liquid material or rubbish resulting from construction, building operations, including but not limited to, plastic products, paint, grease oil, or other chemicals.

Your cooperation is greatly appreciated.

With cold winter temperatures,
please report any water leaks
immediately!
