

## DRINKING WATER PROBLEM CORRECTED

### IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

**ESTE INFORME CONTIENE INFORMACIÓN IMPORTANTE ACERCA DE SU AGUA POTABLE. HAGA QUE ALGUIEN LO TRADUZCA PARA USTED, O HABLE CON ALGUIEN QUE LO ENTIENDA.**

As a customer of Unionville Borough Community Water,  
you were notified on Saturday, June 6, 2026 of a problem with our drinking water and were advised to  
Boil Water for at least 1 minute before consuming.  
We are pleased to report that the problem has been corrected and that it is no longer necessary to boil your water for  
consuming.

We apologize for any inconvenience and thank you for your patience.

On the morning of Saturday, June 6<sup>th</sup>, the primary water main that supplies the town had to be shut-off in order to repair a leak in a pipe that was discovered. The leak was repaired and water service was restored immediately upon completion of the repair. We are happy to report that water use levels are back to normal.

As always, you may contact:

Ben Narehood @ 717-951-7619

or

Jason Crestani

at 814-280-3658

*Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.*
