

Band Instrument Rental Information

Greetings Parents and Students!

We are extremely excited to get instruments in your student's hands so that they may embark on their musical journey! Students are ***required*** to have an instrument and the Essential Elements Book 1 of their respective instrument in order to participate in the band class. There are two options for renting an instrument, renting from the music store and renting from the school. Information about rentals will be listed below.

Renting From a Music Store:

Here at Rampello K-8 we are partnered with Music & Arts music store. The team at Music & Arts has our specific class supply list built into their rental process which makes getting everything needed for class a one stop shop. Rentals can be done both online and in person. To rent online, go to <https://www.musicarts.com/rentals>. Instruments and supplies can be shipped to your home or directly to the school. To rent in person, Music & Arts has a physical store location in Brandon. The address is 2452 W Brandon Blvd, Brandon, FL 33511.

Renting From Rampello:

There are instruments that are owned by the school that are available for rent. While renting from a music store is highly recommended, we understand that it is not always the most affordable. Instrument rentals for Hillsborough County are a one time payment of \$43 for the full school year and \$21.50 for the semester. Instruments are rented on a first come first serve basis and instrument availability is not guaranteed. Please reach out to Mr. Xiong to request a school instrument rental contract if this is the rental option chosen.

If there are any difficulties acquiring an instrument for class because of financial situations, please do not hesitate to reach out. Providing students with a memorable music education is a priority at the Rampello Music Department and we are happy to help any families in need.

For any further questions about the rental process, please email Mr. Xiong (jae.xiong@hcps.net)

We look forward to having an amazing year making memories and music!
