## WHAT is CBAG?

The Children's Bereavement Art Group, also known as CBAG, is a Christian ministry program. Founded in 2013 by Under The Horizon, CBAG helps children know that it is okay to be sad.

CBAG works with children dealing with numerous types of loss including but not limited to death, divorce, and abandonment. Through faith, encouragement, fellowship, creative expression, and friendship, the program aims to instill hope for the future.

Children ages 5 to 15 are welcome to attend, at no cost, at either of our two locations.

CBAG does not provide therapy. Registration is required.

The program is run by internal and external community donations. For questions, to register a child, or to make a tax-deductible donation visit or call.
