

“God saw that it was good...”

St. Gabriel Parish, in collaboration with staff from the Catholic Ecology Center, presents a Lenten Mission March 19-22, 2023

**CONNECTING WITH CREATION
DEEPENING FAITH
ENABLING A STEWARDSHIP ETHIC**

Begin the Mission experience with a “Simple Supper”!

*Soup served from 3-6 pm in Parish Hall,
Sunday, March 19th; \$5 per person, proceeds to
benefit St. Ben’s Meal Program; enjoy food and
fellowship, then head to church for Mission Opening*

Sunday, March 19, 6:30 – 8:00 pm – Exult Night

“Grounded in Faith”

Joe Meyer, founder and Executive Director of the Catholic Ecology Center, will share the story of his faith journey, especially his passion for Christ and love for ecology. The Exult Night will feature Prayer, Scripture, Praise & Worship Music, and will close with a time of Eucharistic Adoration.

Monday, March 20, 7:00 – 8:30 pm – Evening of Reflection

“Grounded in Gratitude”

Barbara O’Brien, a Catholic Ecology Center Educator, will facilitate a reflection on how we acknowledge our gratitude for God, for others, and for Creation, including Scripture, journaling, prayer and music.

Tuesday, March 21, 7:00 – 8:30 pm – Evening of Reflection

“Grounded in Stewardship”

Theresa Liebert, the Catholic Ecology Center Program Coordinator/Educator, will facilitate a reflection in four movements: A Child-like Vision of Creation; Rejection of Stewardship; Stewardship as Imitation of Christ; Stewardship Lived through the 3 Pillars of Lent --Prayer, Fasting, and Almsgiving.

Wednesday, March 22, 7:00 pm – Sacrament of Reconciliation
