

CATHOLIC ECOLOGY CENTER

NAMING GIFTS

an enduring tribute

Welcome Area: \$25,000

The beautiful entranceway invites guests inward to the vaulted ceiling welcoming area. This gathering space allows for fellowship, conversation and orientation to what awaits people on the property. This area also includes the reception desk, gift shop area, displays and coat room.

Breakout Room: \$40,000

The 515 sq ft breakout room offers school groups and retreatants a place to discuss matters of faith and caring for creation. The decor offers a comfortable home-like feel with carpeting and couches. The space promotes small group discussion, a place of quiet prayer, the reading of a book or conversing with a friend. Divider wall opens to chapel.

Gallery Wall: \$4,000

~~Gray Water Recycling System: \$9,000~~

~~FSC Certified Lumber: \$10,000~~

Green Roof Water Conservation: \$12,000

15kW Solar Panel Array: \$30,000

Geothermal Heating/Cooling System: \$125,000

Deck: \$35,000

The 575 sq ft deck, added on to existing building, offers tranquil views of the property and wildlife. Seating on the deck invites people to relax, contemplate God's creation and enjoy fellowship outdoors. Stairs allow for easy access to the trails.

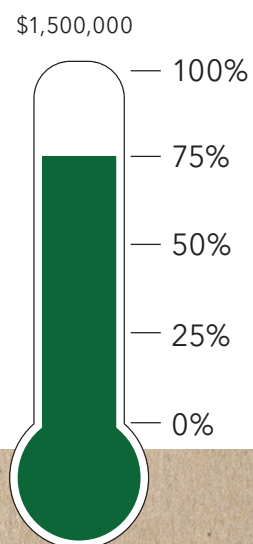

THANK YOU!

CATHOLIC
ECOLOGY
CENTER

VISION 2023

WE NEED YOUR SUPPORT!

YOUR INVESTMENT:

Remodels and expands our Catholic Ecology Center building to include a prayer chapel, deck, breakout room, welcome area and handicap accessible bathrooms. *Naming gifts available*

THANK YOU!
