

Improving Sanitation
for Healthier Communities
in the Volta Region of Ghana

WE PLAN TO BUILD
12 BATHROOMS

in **2** underserved schools in the
Volta Region of Ghana

- ✓ Each school will get **3 women's and 3 men's bathrooms**
- ✓ Sanitation and **hygiene** are vital for **student health, dignity, and education**
- ✓ We've identified **trusted manufacturers** in Ghana for quality materials at wholesale prices

SET FOR
COMPLETION
**AUGUST
2027**

WHY SANITATION MATTERS:

PREVENT DISEASE

Reduces the risk of disease and infection for students and staff

ENSURE HYGIENE

Teach healthy habits, this promotes regular handwashing practices.

PROMOTE DIGNITY

Provide a safe and private space for students to use the restroom with respect and well-being.

**HELP BUILD A
*Healthy Future!***
