JULY 4TH EVENT WENT OFF LIKE A BANG!

Many thanks to all who volunteered in our Independence Day Events on July 6th! A great time was had by all at the Fun Run and Street Dance. A special thanks goes out to Dan Todd for always allowing our bands to set up in his driveway for our street dances. We also want to thank Terry Kerrick for putting on a spectacular fireworks show! Terry and his assistants take great care in setup and execution to allow for a great show. The Gary Kyle Band was equally outstanding with their incredible energy and great mix of music on such a hot day. Celebrating our freedom could not happen without the dedication and sacrifices our Military and First Responders have provided every day we wake up in this great country. We thank you!

POOL HOURS

9:00 am - 7:45 pm Tuesday through Sunday

The pool will be closed on Mondays for cleaning with the exception of Holiday Weekends when the pool will be closed on the Tuesday following the Holiday.

PAVING THE WAY

The 2019 road construction is now completed. This year almost 2 miles of roads were paved and much needed drainage improvements were completed in sections D, E, and J. New speed bumps have been installed around the Clubhouse/Community Center and others are under construction. Please be aware of your

speed and your surroundings.

CLUBHOUSE/COMMUNITY CENTER GETS GLITZ

Upgrades to your community clubhouse continued with paint and new floors in the restrooms, office space, common visitation area and the Event Hall. The exterior received new paint and the new retaining wall has been constructed. Security gate office and the mailroom also received new paint.

EVENTS THAT BENEFIT

The Memorial Day Fun Run was a success and so much fun for everyone! Social event sponsors were able to raise approximately \$1,200 for the road fund! Property owners and guests were treated to a street dance with live band for the Memorial Day Event. The Car Show, BBQ Cook-off and benefit held June 8th was a tremendous success providing a fun competition, entertainment, food, and an auction of donated items raising in excess of \$22,000 for your road fund. To all who volunteered, participated and contributed to these events, your community thanks you!

UPCOMING EVENTS

Mark your calendars and watch for updates about our upcoming neighborhood events!

August 31st - We will be celebrating Labor Day with a Fun Run and Street Dance.

September 14th - There will be a Community Fish Fry honoring our Military and First Responders.

SUMMER IS HERE

Summer is here and we have had heavy activity at the boat ramp and traffic in the neighborhood. **Please remember there are Texas laws that require a certain age limit behind the wheel of a golf cart, ATV, or 4-wheeler.** If we receive complaints of aggressive behavior behind the wheel of one of these vehicles, or underage drivers that are not with an adult, we will contact the Sheriff's department. There have been unfortunate accidents in the neighborhood through the years involving children who do not have the experience to drive and are not being supervised.

CRIME WATCH

We continue to address crime. Our new cameras have been installed and have helped resolve issues of damaged gates, unauthorized entry to our village and acts of vandalism. There was an arrest made in previous theft of lowboy trailer and battery thefts are down although still an issue. Please be watchful and secure your items with locks; cameras are encouraged. Also, please report crimes to San Jacinto County Sheriff's Office.

BOAT RAMP PARKING REMINDER

Due to our growing community, we experienced issues with vehicles blocking access to our boat ramp last year. You will see **NO PARKING SIGNS** posted near the boat ramp. If vehicles, golf carts, ATV's or 4-wheelers park there, they will be towed or hauled off at owner's expense. If you choose to swim in the water near the boat ramp (at your own risk), find another place to park (not blocking someone's property). Property owners that are launching their boats and choose to park their vehicles and trailers in the allotted parking area are first come first served. Please respect the property owners that have homes on both

sides and across from the boat ramp. You cannot block or park on their property. **Only short-term parking is allowed at the boat ramp dock while you park and retrieve your trailer for loading/unloading your boat.** No overnight parking is allowed.

CHILDREN'S PHOTOS REMOVED

We have taken measures to protect the confidentiality, security and integrity of all children in our Village. All photos of children have been removed from our website. Going forward we will need a **MINOR PHOTO RELEASE FORM** filled out for consent to post any pictures. This form is posted under Permits / Forms on our website. Forms will be available at community events as well.

CLUBHOUSE RENTALS

Don't forget our Clubhouse is available to rent for special events, parties, weddings, and family reunions. Go to our website and click the information tab, or see Pam in the office for details.

NEW WEBSITE

HVLOA launched a brand new website. Thanks to all the hard work from Pam Miller we have a new look. Check it out...www.holidayvillageslivingston.com.

WANT TO GET INVOLVED?

Volunteers are Still Needed...

The POA would like to set up a committee made up of a group of people that will be on hand to help out with our POA events throughout the year. An example of some of the events are the Easter Egg Hunt; the Horseshoe, Cornhole & Washer Event that includes cooking Hot Dogs and Hamburgers; the Halloween Hay Ride; Meeting Santa Claus, (this is just to name a few). If we can get enough volunteers we can share the duties so the same people aren't having to work every event. If you are interested, please send an email to HVLOABOD@gmail.com. Once we have a group of people that are interested, we will arrange a meet and greet and start planning our next event!
