

The *VILLAGE* MONTHLY NEWS

March 2025

Holiday Villages of Livingston Owners Association

FIRST THINGS FIRST

Heavy rainfall in 2024 started an avalanche of washouts on Holiday Villages roads. The largest in the back corner of W. Woodland Shores. We had road closures there, in front of the RV park and on Cook-Jones Road. By the end of May we had identified 13 severe washouts and by the end of 2024 we were up to 17.

To date, nine of the major washouts have been repaired totaling \$204,723 paid from the Road Fund. There are two non-road washouts at the clubhouse pending completion at a cost of \$11,500 paid from the HV Operating account.

Road Workday: On Saturday March 22nd, volunteers will gather at the Clubhouse at 8:00 AM and will team up with a focus on laying speed bumps down Cooke-Jones Road and Hidden Oaks.

Holiday Villages welcomes Doug Haerle as the new Head of the Maintenance, and James Rogers as the Road Maintenance tech, joining current Maintenance tech Damion Schilhab. Joining the back office staff is Cheryl Golden.
