PLEASE NOTE:

Failure to obtain a permit before work begins will result in an additional fee. If you fail to obtain a permit before work begins your fees will be doubled the fee schedules below and you could receive a deed restriction violation for building with no permit.

Your site will be inspected for compliance with this permit.

If the improvements have not commenced within 8 months after approval, this permit expires.

If the improvements are not completed as to exterior finish and appearance within 6 months after commencement, this permit expires.

If the improvements include a manufactured home or modular home and under-skirting is not completed within 60 days after the home is placed on the property, this permit expires.

All buildings and structures shall be under skirted and underpinned so no pier or piling are exposed to view.

If this permit expires, a one-month renewal may be obtained for a fee of \$50 but only if there is good cause for the delay, as determined at the discretion of the Committee. No renewal is effective unless it is approved in writing by the Committee. This permit may not be renewed for more than 8 months.

NOTICE TO PROPERTY OWNERS' DISCLAIMER

Information regarding the improvements for this building permit was furnished by the owner of the property and is not a result of any survey prepared by the Architectural Control Committee of HVLOA.

Prior to placing the property on the market, the developer had a survey in which all lots were staked and a plat recorded. However, utility companies and property owners destroy stakes and move them which could affect the improvement placed on your property. **HVLOA has no liability for improvements that are placed incorrectly on your property. If any of your improvements are constructed or placed on the wrong lot or encroach on easement areas or fail to comply with setback lines, it will be your responsibility to have the improvements moved.**

It is recommended that an independent survey be prepared by the property owner prior to any improvements being placed on the property as the Architectural Control Committee shall not be liable for any discrepancies in the property boundaries. It is further recommended that prior to the construction of a permanent residence, the owner goes through a title company to insure a clear title to the land.

ALL DELIVERIES WILL GO THROUGH THE BACK GATE ONLY

PROPERTY OWNERS ARE RESPONSIBLE FOR ANY AND ALL PROPERTY DAMAGE TO ROADS, CULVERTS AND EASEMENTS.

I ACKNOWLEDGE THAT I HAVE READ THE ABOVE DISCLAIMER AND UNDERSTAND THE CONTENTS STATED THEREIN.
