Car Wash and Spray

GUAPO SUPERIOR CAR WASH SHAMPOO

1 Liter and 1 Gallon

Guapo Superior Car Wash Shampoo with Carnauba Wax is the perfect all-in-one maintenance tool for preserving your car's exterior brilliance. Its advanced formula is equipped with a special waxing agent that creates a protective barrier, shielding your paint while producing a noticeable, mirror-like shine. By combining a thorough wash with the benefits of real Carnauba, it ensures your ride stays cleaner for longer with a slick, high-gloss texture.

GUAPO ULTRA FOAMY CAR SHAMPOO

1 Liter and 1 Gallon

Guapo Ultra Foamy Car Shampoo – High Grade is a specialized formula engineered to produce a massive volume of thick, stable foam for professional foam cannon applications. This high-grade solution creates a dense lubricating layer that safely encapsulates dirt and abrasive particles, significantly reducing the risk of swirl marks during the wash. It is the ideal choice for detailers who require maximum hang time and superior surface lubrication for a safer, more efficient cleaning process.

GUAPO CAR WASH SHAMPOO

1 Liter and 1 Gallon

Guapo Car Wash Shampoo Regular Clean features a high-performance formula designed to be fast-acting and deep-penetrating for a thorough finish. This specialized solution effectively lifts stubborn road grime and dirt without compromising the integrity of your car's existing wax or sealant. It provides a consistent, dependable clean that leaves your vehicle looking refreshed while maintaining its essential exterior protection.

GUAPO CERAMIC COAT SHAMPOO

500 ml

Guapo Ceramic Coat Shampoo utilizes advanced SiO2 technology to provide a high-level defensive layer every time you wash. This sophisticated formula doesn't just clean; it reinforces your vehicle's existing coating or adds a fresh layer of ceramic protection to the paintwork. By leaving behind a durable, hydrophobic barrier, it effectively shields your car from environmental contaminants while significantly enhancing water beading and surface slickness.

GUAPO ULTIMATE WATERLESS CAR WASH AND WAX

500 ml

Guapo Ultimate Waterless Car Wash and Wax Spray is the ultimate solution for those who want a pristine vehicle without the hassle of a traditional hose and bucket. This easy-to-use formula allows you to simply spray and wipe, lifting away surface dust and grime while simultaneously depositing a protective wax layer. It is the perfect "Spray and GO" companion for maintaining a showroom shine in minutes, whether you're at home or on the move.

GUAPO PREMIER AFTER WASH DRYING AID

500 ml

Guapo Premier After Wash Drying Aid Spray is a specialized formula engineered to significantly reduce your detailing time by accelerating both natural and forced air drying. By breaking surface tension on contact, it allows water to sheet off effortlessly, preventing the formation of unsightly water spots and streaks. This high-grade solution is also formulated to enhance your vehicle's shine, leaving behind a slick, glossy finish that makes the final wipe-down smoother and safer.

EXTERIOR CARE PRODUCTS

Car Wax and Polisher

GUAPO ADVANCED CERAMIC WAX SPRAY COATING

500 ml

Guapo Advanced Ceramic Wax Spray Coating is engineered with advanced synthetic wax polymers that bond to your vehicle's surface to provide an incredible, long-lasting shine. This high-performance formula dramatically increases the depth of color and clarity, making your paintwork look richer and more vibrant than ever before. Beyond its aesthetic benefits, it creates a robust ceramic shield that offers superior protection against environmental contaminants and harsh weather conditions.

GUAPO PREMIUM CARNAUBA LIQUID WAX

300 ml, 500 ml and 1 Liter

Guapo Premium Carnauba Liquid Wax offers a professional-grade solution for those seeking a deep, liquid-like glossy finish with minimal effort. This high-quality liquid wax formula is designed to enrich your vehicle's color while leaving behind a durable hydrophobic coating that aggressively repels water and contaminants. It provides a classic, warm carnauba shine combined with modern surface protection to keep your car looking showroom-ready in any weather.

GUAPO MATTE FINISH PROTECTANT

300 ml, 500 ml and 1 Liter

Guapo Matte Finish Protectant with Carnauba Wax is specifically formulated to provide superior protection for matte and satin surfaces without adding unwanted gloss or artificial shine. This high-performance spray creates a durable hydrophobic coating that repels water, dust, and UV rays, ensuring your vehicle's unique flat finish remains pristine and well-guarded. It is the ideal solution for maintaining the original texture of your paint or wrap while adding a slick, protective barrier against the elements.

GUAPO HYBRID QUICK WAX

300 ml

Guapo Hybrid Quick Wax is a versatile high-performance quick detailer engineered to perform flawlessly on both matte and glossy surfaces. This advanced hybrid formula effectively lifts light dust and fingerprints while depositing a protective layer that enhances the natural finish of your vehicle without altering its intended texture. Whether you are maintaining a deep mirror shine or a stealthy flat look, this spray provides a consistent, streak-free result that keeps your ride looking professionally detailed.

EXTERIOR CARE PRODUCTS

Tire conditioner and Wheel Cleaner

GUAPO EXTREME TIREBLACK (GLOSSY)

250 ml and 1 Gallon

Guapo Extreme Tireblack Glossy is engineered to provide your tires with a professional, deep-black finish that lasts. Its high-performance formula creates a brilliant, wet-look shine that dramatically enhances the overall aesthetic of your vehicle. Designed to withstand the elements, it not only improves the appearance of your rubber but also provides a protective barrier against road grime and environmental wear.

GUAPO EXTREME TIREBLACK (MATTE)

250 ml and 1 Gallon

Guapo Extreme Tireblack Matte is meticulously formulated for enthusiasts who prefer a clean, factory-fresh appearance over a high-gloss shine. This premium solution restores the deep, rich black of your tires while maintaining a sophisticated, non-reflective OEM finish. Beyond aesthetics, it provides a durable protective layer that helps shield your rubber from UV damage and environmental browning, keeping your tires looking new for longer.

GUAPO AUTO BLASTER IRON DECONTAMINANT SPRAY

500 ml

Guapo Auto Blaster Iron Decontaminant Spray is a high-performance chemical cleaner specifically engineered to dissolve stubborn brake dust and embedded iron particles. This specialized formula targets metallic contaminants on both your wheels and clear coat paint, neutralizing them before they can cause permanent oxidation or pitting. It is an essential step in the decontamination process, ensuring a smooth, surgically clean surface that is perfectly prepared for waxes or ceramic coatings.

Exterior Care Products

Exterior Power Cleaner

GUAPO WATERMARKS REMOVER (FOR CAR BODY PAINT)

250 ml

Guapo Water Marks Remover for Car Body Paint is a professional-grade solution specifically formulated to eliminate stubborn mineral deposits and etched water spots from your vehicle's exterior. This high-performance liquid targets the calcium and magnesium buildup that regular washing can't touch, restoring the original clarity and smoothness of your paintwork. It is an essential restoration tool for enthusiasts looking to revive a dull finish and prepare the surface for a fresh layer of wax or ceramic protection.

GUAPO BUG AND TAR REMOVER

300 ml and 500 ml

Guapo Bug and Tar Remover is a heavy-duty cleaning solution specifically engineered to dissolve stubborn organic and petroleum-based contaminants. This specialized formula quickly breaks down hardened bug splatter, sticky tree sap, and thick road tar that regular soaps often fail to remove. By penetrating deep into these deposits, it allows you to safely lift them away from your paint, chrome, and plastic trim without the need for aggressive scrubbing that could cause scratches.

INTERIOR CARE PRODUCTS

Car air-freshener, Hanging Diffuser and Fog Solutions

GUAPO CAR AIR-REFRESHER

300 ml

Guapo Car Air-Refresher is a high-potency deodorizer designed to eliminate stubborn odors and replace them with a premium, long-lasting fragrance. Available in the classic "New Car Scent" for a factory-fresh feel or the vibrant "Sweet Love Scent" for a sweet, refreshing strawberry like atmosphere, this formula works at a molecular level to neutralize smells rather than just masking them. It is the perfect final touch to any detailing session, ensuring your vehicle's cabin feels as clean as it looks.

GUAPO DISINFECTANT ANTIBACTERIAL SPRAY

250ml

Guapo Car Perfume Spray LuxHotel Series brings the world-class ambiance of five-star resorts directly into your vehicle. This elite collection features signature fragrances inspired by the iconic scents of Conrad, Okada, Solaire, Shangri-La, and Marriott, offering an unparalleled sensory experience on the road. Each spray is meticulously crafted to eliminate odors and replace them with a refined, sophisticated aroma that transforms your car into a mobile luxury suite.

GUAPO HANGING DIFFUSER

10 ml

Guapo Hanging Diffusers are meticulously crafted to provide a consistent, slow-release fragrance that keeps your vehicle's interior smelling fresh for weeks. This premium series features the crisp, invigorating notes of Marine Squash for a clean aquatic feel, as well as the rich, comforting aroma of Café Latte for coffee lovers. Designed with a sleek aesthetic, these diffusers effectively neutralize odors while adding a touch of sophisticated style to your rearview mirror.

GUAPO FOG SOLUTION

250 ml and 500 ml

Guapo Fog Solution is a high-performance sanitizing treatment designed to provide a comprehensive "Shield + Perfection" for your vehicle's interior and home spaces. Our advanced formula is engineered to kill disease-causing viruses and bacteria on contact, ensuring a safe and hygienic environment. Beyond sanitization, it effectively neutralizes foul odors and prevents the growth of molds and mildews in hard-to-reach areas, providing a deep-cleansing fog that reaches every corner of your cabin.

ENGINE CARE PRODUCTS

Engine Cleaner and Protectant

GUAPO MIGHTY DEGREASER

300 ml, 500 ml and 1 Liter

Guapo Mighty Degreaser is a professional-grade cleaning agent engineered to break down the toughest oil, grease, and road grime. Specifically formulated for engine bay detailing, this powerful solution penetrates deep into baked-on sludge, allowing for a thorough clean without harming essential components. It is the ultimate tool for restorers and enthusiasts who want to maintain a factory-clean engine and prevent the buildup of corrosive contaminants.

GUAPO ENGINE BAY PROTECTANT

300 ml

Guapo Engine Bay Protectant is a premium detailing solution designed to safeguard your engine's plastic, rubber, and metal components from the harsh heat and grime of the road. This specialized formula creates a durable, heat-resistant barrier that prevents premature cracking, fading, and drying of essential hoses and covers. It leaves behind a factory-fresh, satin finish that makes future cleaning significantly easier by repelling dust and oil buildup.

GLASS CARE PRODUCTS

Glass Cleaner and Washer Fluid

GUAPO HEAVY ACID RAIN REMOVER

250 ml

Guapo Heavy Acid Rain Remover is a specialized formula engineered to eliminate etched mineral deposits and stubborn water spots from your vehicle's windshield. It effectively cuts through the calcium and magnesium buildup caused by acid rain, restoring crystal-clear visibility for safer driving in all weather conditions. This professional-grade solution is the essential first step in glass restoration, providing a smooth, pristine surface that allows wipers to glide effortlessly.

GUAPO ULTRA CLEAR GLASS POLISHING COMPOUND

250 ml

Guapo Ultra Clear Glass Polishing Compound is a precision-formulated finishing solution designed to restore optical clarity to automotive glass. It gently removes fine scratches, light wiper marks, haze, and residual mineral stains left after deep cleaning. This advanced polishing compound refines the glass surface, enhancing transparency and brilliance while leaving a smooth, streak-free finish. Ideal as the final step in glass restoration, it improves visibility, elevates overall appearance, and delivers a crystal-clear view for safer, more confident driving.

GUAPO AUTO GLASS CLEANER

250 ml and 500 ml

Guapo Auto Glass Cleaner is a high-performance formula designed to provide crystal-clear visibility while actively preventing interior fogging. This dual-action solution effortlessly cuts through oily road film, fingerprints, and grime on both the interior and exterior of your windows. By creating an invisible anti-fog barrier, it ensures a safer driving experience during humid conditions or sudden temperature changes, making it an essential tool for year-round glass maintenance.

GUAPO WIPER WASHER FLUID

1 Liter

Guapo Wiper Washer Fluid is a specialized high-visibility formula designed to keep your windshield crystal clear in any driving condition. Beyond its superior cleaning power, it acts as a vital lubricant for the mechanical components and wiper blades, reducing friction and preventing premature wear on the motor. This dual-action fluid ensures a smooth, chatter-free wipe every time, effectively removing road film and bird droppings while protecting the longevity of your wiper system.

SPECIAL CARE PRODUCTS

Restorer, Cleaner and Rubbing Compound

GUAPO TRIM RESTORER BLACK TO ULTIMATE BLACK

250 ml

Guapo Trim Restorer Back to Ultimate Black is a high-performance formula specifically engineered to bring faded, graying plastics back to their ultimate black finish. It penetrates deep into the pores of porous trim pieces to restore lost oils and pigments, reversing the damage caused by prolonged UV exposure and harsh weather. This professional-grade solution not only rejuvenates the aesthetic of your vehicle but also leaves behind a durable protective seal that prevents future cracking and discoloration.

GUAPO HEADLIGHT RESTORER

60 ml

Guapo Headlight Restorer features a sophisticated 2-in-1 formula that combines a high-performance lubricant with a specialized polishing compound to eliminate oxidation and yellowing. This professional-grade solution safely resurfaces hazy lenses, restoring the crystal-clear transparency needed for maximum light output and nighttime safety. By smoothing out micro-scratches and removing environmental buildup, it provides a showroom-quality finish that makes your headlights look brand new.

GUAPO ULTRA PRO+ SCRATCH REMOVER ADVANCED RUBBING COMPOUND

70 Grams

Guapo Ultra Pro+ Scratch Remover Advanced Rubbing Compound is a high-grade paint correction formula engineered to eliminate medium to coarse scratches and deep surface defects. This heavy-duty compound utilizes advanced abrasives to level out imperfections, effectively restoring the clarity and smoothness of your vehicle's clear coat. It is an essential tool for professional-level restoration, providing a precise and effective way to remove oxidation, swirls, and scuffs before the final polishing stage.

SPECIAL CARE PRODUCTS

Restorer, Cleaner and Rubbing Compound

GUAPO SUPREME BRIGHTENER

300 ml

Guapo Supreme Brightener is a high-performance cleaning solution specifically engineered to restore the luster and brilliance of stainless steel surfaces. This professional-grade formula effectively penetrates stubborn oxidation, heat tint, and surface stains that accumulate on exhaust tips, trim, and hardware. By combining deep-cleaning agents with advanced brightening technology, it leaves behind a mirror-like finish that highlights the premium quality of your vehicle's metalwork.

GUAPO TOUGH RUST REMOVER

250 ml

Guapo Tough Rust Remover is a heavy-duty chemical treatment engineered to penetrate and dissolve stubborn oxidation on tools, hardware, and equipment. This professional-grade formula breaks the bond between rust and the base metal, allowing for easy removal without the need for excessive scrubbing or grinding. It is the essential restoration solution for maintaining the integrity and functionality of your workshop essentials, ensuring your gear stays in peak operating condition.

GUAPO MICROFIBER CAR TOWEL

1 Bundle 28 cm x 28 cm

Guapo Microfiber Car Towel is a professional-grade detailing essential designed for maximum efficiency and surface safety. With a high-density 300GSM weave, these black 28cm x 28cm towels provide ultra-absorbent performance, making them perfect for buffing waxes, wiping down interiors, or drying small surfaces without leaving lint or streaks. This bundle ensures you always have a fresh, high-quality cloth on hand for a scratch-free, showroom-quality finish.

HELMET AND MOTORCYCLE

CARE PRODUCTS

Cleaner and Protectant

GUAPO HELMET REFRESHER AND DEODORIZER

150 ml

Guapo Helmet Refresher and Deodorizer is a specialized sanitizing spray engineered to eliminate stubborn odors and bacteria buildup in your riding gear. Designed for high-performance use, this fast-drying formula penetrates deep into helmet liners and jacket fabrics to neutralize sweat and environmental smells at the source. It is an essential maintenance tool for every rider, ensuring your gear stays fresh, hygienic, and comfortable for every journey, without damaging delicate padding or materials.

GUAPO HELMET VISOR CLEANER

150 ml

Guapo Helmet Visor Cleaner is a specialized dual-action formula engineered to provide riders with high-definition clarity and improved safety. This premium solution effectively cuts through road grime, oily fingerprints, and insect splatter while depositing an invisible anti-fog barrier. Designed for precision cleaning, it ensures a streak-free finish on both the interior and exterior of your visor, preventing steam buildup during humid rides and sudden temperature changes.

GUAPO HELMET POLISHER AND PROTECTANT

150 ml

Guapo Helmet Polisher and Protectant is a premium finishing solution designed to restore the showroom brilliance of your helmet while providing long-term surface defense. Formulated with advanced UV protectants, it shields your gear's paint and graphics from sun-induced fading and atmospheric oxidation. This professional-grade polisher fills in micro-scratches and leaves behind a deep, high-gloss shine and a smooth, hydrophobic barrier that makes future cleaning faster and easier.

GUAPO ORIGINAL MAGIC GATAS

250ml and 1 Liter

Guapo Original Magic Gatas is the ultimate all-in-one solution for owners who want a professional-grade finish with minimal effort. This specialized formula is engineered to be safe and effective on both matte and glossy surfaces, providing an instant color depth and a sleek, non-greasy feel. Whether you are detailing a high-performance motorcycle or a daily driver, it works to revitalize your vehicle's appearance while leaving a protective layer that repels dust and water.

GUAPO CHAIN LUBE

60 ml

Guapo Chain Lube is a high-performance lubricant engineered to optimize the mechanical efficiency of your drivetrain. Its advanced formula penetrates deep into chain links to minimize friction, ensuring a significantly smoother engagement and maintaining crisp, reliable shifting performance. By providing a durable protective film, it reduces wear and tear on your sprockets and chain, extending the life of your components even under high-stress riding conditions.
