PRESIDENTS MESSAGE &

DAILY NEWS

Spring is here, and with it comes a renewed sense of energy, growth, and possibility. Just as the season brings fresh blooms and longer days, Chapter 22 is thriving by welcoming new faces, strengthening partnerships, and creating meaningful opportunities for connection, education, and professional growth across our right-of-way community. This past quarter has truly reflected the momentum of our chapter. We are proud to welcome seven new members, a clear sign that our outreach efforts and engagement continue to resonate. Our growth is further supported by exciting partnerships, including a new \$2,000 sponsorship from HDR, Inc. We want to express a sincere thank you to HDR, Inc. for their investment in our mission and members.

We are especially excited to host our Membership Drive at the GDOT Annual Consultant Training held in the City of Forsyth on April 1st. This will be a fantastic opportunity to connect with industry professionals, share the value of IRWA membership, and introduce Chapter 22 to new colleagues across the state. Looking ahead, we invite you to join us for our next Chapter Check-in on April 8th, featuring Marcus Allen from DeKalb County, and graciously hosted by CoStar. These check-ins continue to provide valuable discussion, insight, and networking opportunities for our membership. Education remains a cornerstone of who we are as a chapter. I would like to extend special thanks to our Education Chair, Tammy Duke of LJA, for compiling and providing our approved GREC and IRWA Continuing Education course list. This valuable resource is now available to our members and was distributed via email with the relevant link making it easier than ever for members to plan and track CE credits.

Be sure to register early for our upcoming, in-person Course 102 – Elevating Your Ethical Awareness on October 28th. This course is no longer offered virtually, making this a unique opportunity to earn essential education credits while engaging in meaningful, face-to-face discussion. We also encourage members to take advantage of upcoming regional and international events:

- IRWA Spring Forum South Padre Island, TX April 30, 2026 Registration is now open. Click [IRWA Region 2, 6, and 9 Spring Forum 2026](#) to register.
- IRWA's 72nd Annual International Education Conference in Omaha, NE | Friday, June 26 – Monday, June 29, 2026 Registration details are available at IRWA's 72nd Annual International Education Conference.

Our gratitude goes to LJA, one of our continuing sponsors, for their ongoing support of our chapter and educational initiatives. Finally, thank you to all our volunteers, board members, and engaged members who continue to help Chapter 22 grow and flourish. Like spring itself, our chapter is moving forward with purpose. Together, we are building something truly special.

APPRECIATION
