2025 FSSP Presidents Welcome

Welcome One and All to our 11th Annual St. Patrick's Day Parade!

I'm Russell Crosby, the President of the Hunterdon County Chapter of the Friendly Sons of St. Patrick, and your host for the day. It is my great privilege to spend time with you all and celebrate Irish Culture.

We owe the success of our great organization to the abundance of support we receive from our community, its leaders, and the fine gentlemen and families that make up the Friendly Sons of St. Patrick of Hunterdon County. The residents of Hunterdon County support our fundraising efforts year-round; Our most notable events being the Golf Outing at Beaver Brook Country Club, the FSSP AfterParty hosted by the historic Red Mill Museum Village of Clinton, our Gala, and this Parade. These fundraisers allow us to aid the residents of Hunterdon County with quick and direct action. This year we stepped up for those in need by covering monthly bills, buying holiday gifts, painting the food pantry, and purchasing a car for a family when theirs was deemed unsafe. These are just some of the many actions taken by the FSSP this year to help our neighbors in need. The organization has grown over the last year by 30% and distributed over \$125,000 in charitable donations. Join the FSSP and make a difference!

Every year, the club likes to recognize key members who have contributed and gone above and beyond in character and activity. Two of the highest honors we can present to our brothers are the titles of The Irishman of

the Year and the Parade Grand Marshal. To be nominated for these esteemed titles you must completely embody our mission and vision of culture, camaraderie, and community.

The gentlemen honored today have spent years helping the people standing beside you. They contribute at the highest capacity and always rise to the challenge. Working beside Mr. Jim Gibson

(2025 Irishman of The Year) and Mr. Ken Carbery (2025 Grand Marshal) is not only an honor but a privilege. These men have maximized our charitable outreach by using their specific skill sets and additionally have helped guide our new members to successfully aid our community. Today we applaud and honor these men.

This year we welcome our newly minted three-day Hunterdon County Irish festival. After countless hours donated by our brothers and supporters, we are delighted to promote this three-day festival honoring Irish culture and community. Please enjoy the weekend and make sure you take a look at Sponsor pages and support them.

As they say, 'Today we're all Irish.' Celebrate with your family and the people around you. Live, Laugh, & Love.

Happy St. Patrick's Day.

Sláinte!

Russell Crosby

In Memory of

James M. "Jim" Codd (1943 – 2024)

James M. Codd died on November 15th, 2024 at RWJ University Hospital, Somerset, New Jersey. He was 81 years old and maintained his smile and zest for life up until the moment of his death.

He was born on Staten Island, New York on January 17, 1943 and as a young boy, moved to Iselin, New Jersey with his family. He was drafted into the US Military, came home, and started his long career in the food and beverage industry. He sold wine and beer, managed restaurants (owning two of his own) and was a catering coordinator for more than a decade. He continued in the food industry in some capacity throughout his entire life... he even spoke about food in his dreams!

Jim was very involved in the Friendly Sons of St. Patrick, Hunterdon County and in community and church-based activities and organizations. He was an integral part of all the FSSP AfterParty at the Red Mill where his culinary

expertise was greatly valued. In 2017, Jim was awarded the FSSP "Spirit of Ireland" award for his contributions to the organization.

Jim was also a 4th Degree Member in the Assembly of the Knights of Columbus.

He volunteered whenever and as much as he could - his concern for those in need was always a priority. He loved tending his herb garden and was the most enthusiastic cheerleader at any sporting event involving a family member. He was a long time Yankees and Giants fan and was always ready for an adventure. He'd sleep standing up if it meant he could attend a party. The trip of his life was to Italy in 2019 with his son and daughter and friends at his side.

Jim was pre-deceased by his son, David, survived by his daughter, Sarah (Erica), sister, Maryann, brother, Michael (Geraldine), loving nieces and nephews, his former wife and friend, Toni, his two cats, Sammy and Katana and his furry friend, Ted.

After obtaining his Property & Casualty license in 1969, Ken worked with several insurance firms across the state, and for the past 11 years he has been happily engaged with Reiner insurance in Clinton, NJ.

Ken married in 1967 and that marriage produced two fine children. His daughter Kendra lives in Boulder, CO, and she has one child, Kyle, who is a first-year college student. Ken's son Kenneth Slater Carberry III lives in

2025 Irishman of the Year

Dr. Jim Gibson

James A. Gibson, known to his friends as Jim, joined the Friendly Sons of St. Patrick in 2017 after meeting Bill Healy at his Crystal Shop on Main Street in downtown Clinton. He was elected First Vice President on the Executive Committee in 2020 and 2021. Jim immediately joined the FSSP Golf Outing Committee – where he helps run the organization's largest annual fundraiser and now operates as Chairman – after Brothers Ken Oldam and Shane Berry discovered he was a golf course general manager. He is also a member of the Social Committee and Irish Festival Committee

Jim is an only child and was born to Susan and James C. Gibson at Clara Maass Medical Center in Belleville, NJ. Susan was born and raised in Newark, NJ to Elizabeth and Albert Koshnick, who are of Polish and Lithuanian descent. James C. was born in Stranraer, Scotland (where the ferry boat goes to Belfast, Northern Ireland) to Muriel and James Gibson, who are of Scottish and English descent. Jim was raised by his mother and grandparents in Great Meadows, NJ, where he was educated at Hackettstown High School before graduating with a B.A. in History from Rutgers University in New Brunswick, NJ.

In 2008, Jim began his career in the golf and hospitality industry at Minebrook Golf Club in Hackettstown, NJ, where he would serve for the next 10 years as the longest-tenured General Manager in the history of the club. Jim would then go on to become General Manager at various golf courses in the tri-state area, including Dyker Beach Golf Course in Brooklyn, NY, Panther Valley Golf & Country Club in Allamuchy, NJ and The Club at Twin Lakes in Allentown, PA.

Despite his work at numerous golf courses over the years, Jim's love for playing the game of golf never diminished. Jim currently participates

in the weekly Tuesday AT&T Golf League at High Bridge Hills with fellow Friendly Sons members Mike Montefusco, Pawel Wisinski, Brian Parente and Dan Shea. He also plays socially with his golfing buddies at a variety of local courses, and plays in the annual Friendly Sons golf outing at Beaver Brook Country Club, which is best described as a “can’t miss” golf event unlike any other.

While attending Rutgers University, Jim met his wife Danielle, who lived next door at an off-campus house. Jim and Danielle purchased their first home in the Town of Clinton, where they currently reside, after falling in love with the charm of the small town. They got married in 2017 in Cooperstown, NY after visiting the area during Mike Piazza and Ken Griffey Jr.’s National Baseball Hall of Fame induction ceremony and recognizing a similar quaint appeal. Jim and Danielle welcomed their first child, Fiona Hope Gibson, to the world in 2019. Fiona is currently a Kindergartener at Clinton Public School and loves attending all of the town’s community events. Their family expanded in 2022 with the arrival of Jim and Danielle’s second child, Beckett Cooper Gibson, who currently attends pre-school at Foundations. Beckett loves all of our community playgrounds throughout Hunterdon County and is a future member of the Friendly Sons.

Jim’s other interests include watching his favorite sports teams like the San Francisco 49ers and the New York Mets. Jim has also been passionate about professional wrestling since he started watching at age 5, and some of his favorites include Hulk Hogan, Razor Ramon, Stone Cold Steve Austin, CM Punk and Irish-born Women’s World Champion Becky Lynch. Due to his enjoyment of craft beers, Jim and his family visit many of our local breweries on the Hunterdon County Beer Trail, and he always enjoys having a pint of Guinness at Cryan’s Tavern.
