Agent Magdalena

Born and raised in Colombia, Magdalena migrated to the US after serving six years in Colombian Army Special Operations.

She lost her sister at a young age to a trafficking ring, a tragedy she vowed to set right. Shortly after her migration to the US, Magdalena joins the US Border Patrol.

As a migrant who went through the hardships of becoming a US Citizen herself and having lost her sister to trafficking, she has a soft spot for migrants.

Magdalena dedicates herself and her life to saving trafficked children. She becomes a Supervisory Agent in the Special Response Team.

Agent Magdalena goes undercover to put PANAS (Head of a trafficking ring) behind bars.

Panas

Originally from Romania, Panas heads the largest trafficking ring in the world. His ring reaches from China to Brazil.

Panas's crew recruits politicians, agents, business owners -- literally anyone who can further his growing empire.

An undercover Magdalena joins his organization.

Panas becomes obsessed with Magdalena, and becomes reckless.

He manages to recruit a high-ranking official from the Department of Homeland Security, which allows him greater anonymity.

Agent Gurcan

A young, ambitious intel specialist, Agent Gurcan works with Joint Terrorism Task Force, INTERPOL, and Magdalena, providing real-time intelligence.

Gurcan has feelings for Magdalena but does not have the courage to approach her.

He loses contact with Magdalena while she is undercover. He has a gut feeling that something is wrong. Knowing he will be told that the operation is above his pay grade, he goes out to the field on his own to make sure she is okay.

Agent Rodriguez and Boyle

The two men, young and green, fresh out of Academy, with dollar signs in their eyes, feel the power of their badge for the first time.

They are the perfect target for Panas!

Panas sends his men to approach Rodriguez and Boyle. Unable to resist the temptation of the money, power, and greed promised by Panas, the two agents join the dark side.

Rodriguez and Boyle receive their orders from Panas's new recruit in DHS management.

Agent NJERI

Njeri joined the Border Patrol to make a difference in the world and is still trying to get used to carrying a gun. The whole notion scares her to death.

She has never seen how ugly the real world is -- until she discovers a container full of trafficked victims with Agent Magdalena.

Njeri runs into Gurcan on the field. Gurcan tells her that he has not been able to communicate with Magdalena and that he is on his own in his attempt to find her. She joins Gurcan, and they both witness Magdalena's execution.

Njeri loses her happy, go-lucky outlook on life. She soon takes Magdalena's place and becomes a brute force, mean-lean-killing machine.

Hook: A shipping container arrives in Long Beach. Magdalena intercepts the shipment, and a gunfight breaks out between Agents and the traffickers. After neutralizing the traffickers, Magdalena opens the container and discovers over thirty dead children inside.

First Plot Point: Gurcan receives intel that the head of the snake is Panas. He informs Magdalena and she goes undercover.

MidPoint: Magdalena moves up in ranks within Panas's organization quickly and becomes the head of his US branch.

Second Plot Point: Boyle and Rodriguez inform Panas that Magdalena is an Agent, forcing Magdalena to run. Gurcan loses communication with Magdalena and heads to the field.

Climax&Resolution: Magdalena gets killed and Njeri takes her place. Gurcan gets close to Njeri, and Panas gets away for now.
