

Business Acumen

Through our Business Acumen course participants will improve their judgment and decisiveness skills. Business Acumen is all about seeing the big picture and recognising that all decisions no matter how small can have an effect on the bottom line. Participants will increase their financial literacy and improve their business sense.

Business Acumen will give participants an advantage everyone wishes they had. The workshop will help your participants recognise learning events, manage risk better, and increase their critical thinking. Business Acumen has the ability to influence your whole organisation and provide that additional edge that will lead to success.

Course Objectives:

- Know how to see the big picture
- Develop a risk management strategy
- Know how to practice financial literacy
- Develop critical thinking
- Practice management acumen
- Find key financial levers
