

Virtual Team Building and Management

It is estimated that 56% of business' around the world have virtual employees working for their business in 2020, and the number is expected to continue climbing well into the future. With a global workforce you are provided with a cost effective and talented pool of employees to draw from.

With a virtual team you have the normal issues of a localised team, with the additional challenges of distance and cultural differences. Virtual Team Building and Management will give participants the knowledge to work with these challenges and succeed in a growing global workforce.

Course Objectives:

- Know the keys to establishing a virtual team
- Learn how to hold effective meetings and group sessions
- Learn effective ways to communicate with team members
- Use tools to build trust and confidence among employees
- Know how to handle poor performing employees
- Know how to manage a virtual team during any project
