Tell us what you want JDP to become!

The District is planning the next round of upgrades to John Derry Park, and we want your voice in it. Take a few minutes to share what matters most to you!

Scan to take the survey

Point your phone's camera at the code and tap the link that appears. It only takes a few minutes, and every response helps shape JDP's design.

What's there today

JDP has served Inverness since the late 1970s. As the District has grown into a true work-live-play community, it's time to plan the park's next chapter.

- Three (3) softball fields
- One (1) multi-purpose field
- Eight (8) sand volleyball courts
- One (1) basketball court
- Three (3) gazebos with picnic seating
- 1.2 miles of paved trails
- Restrooms
- Free parking
- Centralized feature pond (±1.3 acres)

Why it matters

JDP's next upgrade will reflect what residents and employees actually want — not just what's always been there. Your feedback will directly shape the planning and design process.

Thank you!
