RE: 2026 Inverness Spring/Summer League Registration

Registration for the 2026 Inverness Spring/Summer Softball and Volleyball Season is now open.

Wednesday Night, 7-3 Coed Softball - \$375/team (District); \$435/team (Non-District)

Thursday Night, 4-2 Coed Volleyball - \$175/team (District); \$195/team (Non-District)

Games begin the week of May 4th for the Spring/Summer league and the season ends with a tournament in August. Trophies are given to each League Winner, Tournament Winner and Tournament Runner-Up. All games are played at the John Derry Park (312 Inverness Way South) at the south end of the Inverness Business Park. Inverness Business Park companies are given priority, but if space remains available, companies from outside the business park may enter teams in these leagues for an increased registration fee.

The District Office must receive completed registration forms by April 20,2026. Payment and original team roster forms must accompany registration forms. The softball league has room for 12 teams and the volleyball league has room for 16 teams. If a waiting list develops for any league, Inverness teams will be given priority. **Payment must be received before a team will be allowed to register. No team will be allowed to play if a signed team roster with a signature from all players is not on file in the District office.**

If you have any questions, call Laurie Tatlock at 720-274-8377 or email laurie@mulhernmre.com.
