

DU CANE KUNZEA® OIL Components

Component, Actions and Comparative comments where applicable. Percentages taken from random sample.

ALPHA PINENE 37.4%

Relaxant, Cancer preventative, anti inflammatory, can cause skin irritation to sensitive skin.

1,8-CINEOLE 13.5%

Anti-bronchitic, Anti-catarrh, Anti-septic, Anti-tussive, Respiratory anti-inflammatory, Anti-tussive and Expectorant (can act either way). Increases dermal uptake of oil by 95 times.

ALPHA TERPINEOL 2.9%

Anti-allergenic, Anti-asthmatic, Anti-septic, Bactericide, Anti-tussive and Expectorant (as above).

GLOBULOL 11.5%

Anti-inflammatory also good for lungs (Dr Dr Péroël pers. com) (and may be similar properties to Ledol & Spathulenol)

VIRIDIFLOROL 11.7%

Research by Dr Péroël (French) suggests possible oestrogenic and vein tonic effects. He now expands this to the circulatory system (Dr Dr Péroël pers. com).

BICYCLOGERMACRENE 5.9%

Anti-inflammatory, calming, also good for CNS (Dr Dr Péroël pers. com).

LIMONENE 1.2%

Anti cancer and cancer preventive, Anti-septic, Bactericide, Expectorant, Fungistatic, Sedative, Viricide.

CITRONELLOL 1.2%

Insect repellent, Rose scent, soften smell.

LEDOL 1.7%

Anti-inflammatory, Anti-bacteria, Anti-septic, also good for liver (Dr Dr Péroël pers. com).

SPATHULENOL 1.2%

Probably as per Ledol. Also good for kidney (Dr Dr Péroël pers. com).

The alcohols relieve sinus congestion and relax respiratory tract. 1,8-Cineole, Alpha pinene and mono-terpines are said to be good for repairs.
