Student of the Month: Milah!

We are thrilled to celebrate **Milah** as our **Student of the Month!**

Milah has recently mastered her **double pirouettes** and **front handspring** — two huge milestones that showcase her dedication and determination. She consistently works hard both in class and on her own, always striving to improve.

We are so proud of all she has accomplished and can't wait to see how far her talent and work ethic take her. Congratulations, Milah!
