VIP Reception and Program

The Festivities begin with our VIPs, as we recognize the importance of public works, and the amazing people and organizations delivering these services every day. A breakfast reception begins at 9:30, and the public program begins at 10:00. And then it is all about FUN!

Each year, our VIPs have included leadership from Baltimore, neighboring counties, and state agencies. Our VIP roster for 2025 is in the works, and is sure to bring more leaders than ever, as we honor the hard work and dedication of public works providers, and all those who support them.
