The Art Of Gifting

At Trufills we believe gifting is an expression and we want each 'Trufills' Box to create an impression.

Trufills Philosophy

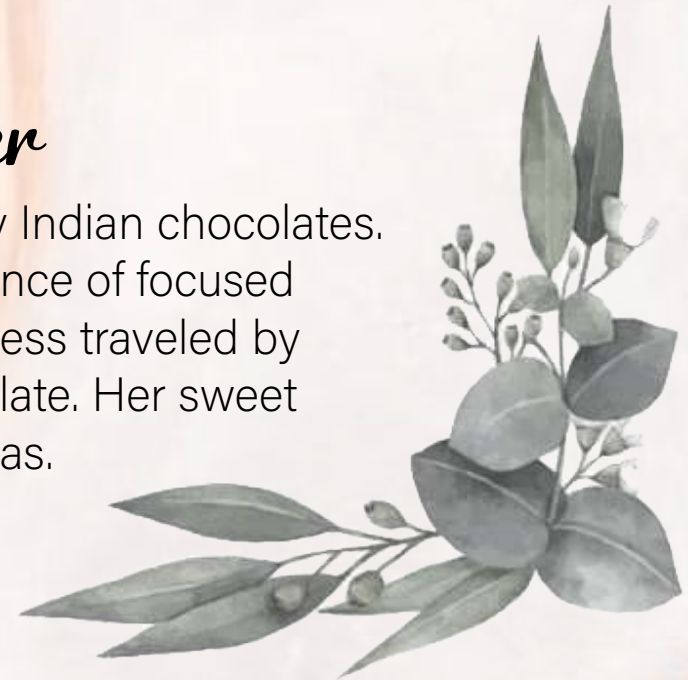

Trufills is committed to purity and quality as our truffles are made with organic chocolate and without any preservatives. All truffles are made to order in small batches from ingredients sourced in U.S.A.

Meet The Founder

Renuka believes in breaking the mold and redefining luxury Indian chocolates. She explores the world of chocolate with a careful balance of focused dedication and inspired roaming often taking the road less traveled by marrying traditional Indian flavors with premium chocolate. Her sweet infatuation breeds a constant stream of ideas.
