

Cannabis PIN Debit Payment Processing

Cannabis payment processing has taken a big step forward with the announcement of Bankcard International Group's fully transparent and compliant PIN Debit payment processing program.

PIN Debit is NOT the same as a Cashless ATM.

With our PIN Debit payment processing you will appreciate 100% transparency with full bank and processor disclosure.

Program Highlights:

- Transactions are for exact dollar amounts which means
 - NO cash handling and costly mistakes
 - NO customer confusion at checkout
 - NO need for drivers to carry any money
- Your Customers will NOT be billed for "Out of Network" fees which will make them happy!
- Fully endorsed and approved by the major debit networks
- Sales have proven to increase by 25%+ with PIN Debit solutions versus cash or ATMs
- Costs less than cash handling and transportation fees!
- Full Bank and Processor Disclosure
- No Miscoding = Actual DBA and Business Address are on the descriptor
- No Convenience fees
- No Contracts
- No Early termination fees
- No Annual fees
- No Application fee
- When there is federal change your PIN Debit merchant account will be enabled to accept credit cards without having to find a new merchant account.

Pricing Disclosure:

- Interchange plus 3% and \$0.35/transaction
- \$30 Month (Includes account statement, PCI, and Online Reporting)
