Welcome

Palette to Palate welcomes you to celebrate the at-risk children of Dallas with an evening of art, food, wine, and giving featuring some of Dallas' amazing chefs, restaurants, artists, and wines. We are pleased to host an evening of Golden Hollywood for your enjoyment. Palette to Palate continues to provide a unique opportunity to benefit at-risk and special needs children served for almost 50 years by Love For Kids, Inc.

*"We are all
of us stars
and
we deserve
to twinkle."*

Becky Brown

You are the stars that help children in need. Because of your support Love For Kids, Inc. children in need have gifts during the holidays, food for 36,000 needy families each year, special needs families have a day on a ranch to make memories, families are provided with diapers, kids are provided with food and school supplies, and much more.

ART | FOOD | WINE | GIVING

This year's theme is based on the generous donation from Victoria Levine and her personal Marilyn Monroe wines. She has a love of wine, Marilyn Monroe, Golden Hollywood, fashion, and Love For Kids, Inc. Victoria took it upon herself to make a difference in the lives of the children at Love For Kids, Inc. She serves as an avid wine collector and a successful businesswoman. She decided to be a star in the lives of the kids we serve.

"Life is a beautiful thing and there's so much to smile about."
