

THIRD CHERRY CREEK TOWNHOUSE CORP. (CC3) – SWIMMING POOL RULES

9084 E. Nassau Avenue, Denver, CO 80237

IF THERE IS AN EMERGENCY AT THE POOL, CALL 911 IMMEDIATELY!

2019 POOL HOURS ARE FROM 8:00 A.M. TO 9:00 P.M. (TIMES SUBJECT TO CHANGE)

(Swimming Pool Opens - Saturday, May 25, 2019 and closes Monday, September 2, 2019)

Please have a safe and enjoyable pool season by following these rules:

NOTICE: THERE ARE **NO LIFEGUARDS** ON DUTY. **SWIMMING IS AT YOUR OWN RISK.** BY ENTERING THE POOL AREA, ALL RESIDENTS AND THEIR GUESTS AGREE THIS NOTICE SERVES AS THE OFFICIAL RULES IN THE POOL AREA AND THOSE PRIVILEGES COULD BE LOST AND/OR FINES ASSESSED BY THE ASSOCIATION WITHOUT FURTHER WARNING. THE ASSOCIATION RESERVES THE RIGHT TO CLOSE THE POOL AT ANY TIME.

AS A WATER-CONSERVATION COMMUNITY, WE ASK EVERYONE TO PLEASE ENJOY WATER WISELY. WE ENCOURAGE EVERYONE TO HAVE FUN BUT PLEASE AVOID “CANNONBALLING” OR PARTICIPATING IN ACTIVITIES THAT WOULD CAUSE LARGE SPLASHES OR SUBSTANTIAL QUANTITIES OF WATER FROM LEAVING THE POOL.

1. **All swimming is at your own risk.** The wading pool is for children who cannot safely swim in the large pool area. Adults must watch children in their party at all times. The main pool area is for proficient swimmers only. Those who are not proficient swimmers must be accompanied by a responsible adult, guardian or babysitter.
2. **Residents must accompany their guests and are responsible for the actions of their guests.** No more than a total of 6 guests at one time are allowed for each address. The pool may not be reserved for private parties.
3. **The pool entrance** is at the southwest gate, near the lower level of the club house. An electronic pool swipe card system can be used to access the pool and restrooms. **If the pool gate is held open for more than 30 seconds, a loud alarm will sound.** Because the gate system is computerized and surveillance cameras are in use, anyone who repeatedly sets off the entry alarm could have their pool entry key card deactivated without warning. It is strongly recommended that a responsible adult uses the electronic key to avoid alarm issues.
4. **Pool Hours:** The popular “quiet swim” time is from 8 a.m. until 11 a.m. This swim time is for those who want to have a quiet time in which to swim. Those who may create loud noises should not come to the pool prior to 11 a.m. A primary reason for this “quiet time” is for consideration of neighbors who live next to the pool. **Regular swimming hours are from 11 a.m. until 9 p.m. Please be aware that the electronic gate auto-locks promptly at 8:55 p.m. It is your responsibility to be aware of the time so you are not locked in.** Anyone caught in the pool area between 9 p.m. and 8 a.m. will be subject to loss of pool privileges, potential fines and arrest for unauthorized trespassing. It is strongly recommended you leave by 8:55 p.m. to avoid being accidentally locked inside.
5. **Reasons why a pool entry electronic key may be deactivated with or without notice:**
 - People who leave children who are unable to swim or who cause disturbances if left unattended.
 - People who use their electronic key to give strangers access to the pool or loan their key to another address.
 - Owners who are not current on their HOA monthly dues or who have unpaid fines or late fees.
 - People, who, upon review by the Association’s electronic surveillance system, violate common pool rules,. This would include: Running, boisterous play, roughhousing, diving, spitting, excessive splashing, soliciting, throwing objects, disruptive behavior, climbing over fences and attempting to damage Association property. Parents or their designated adult supervisors should instruct children not to yell, argue, scream, shout, swear, use foul language, or engage in disrespectful or abusive language. Please keep in mind the conversations should be kept at a level so they do not disturb neighbors living near the pool. Please obey the pool monitors who are present to enforce pool rules and maintain a safe, enjoyable atmosphere.

NOTICE: Alcoholic beverages, beer, drugs, marijuana or edibles, gum or similar items are **NOT** allowed in the fenced pool area. Glass containers are prohibited. Beverages and food are **not** permitted within 4 feet of pool edges. Anyone who enters the pool area visibly intoxicated or appearing to be under the influence of drugs or other substances may be arrested. Cooking, grilling or using a barbecue device is not permitted. You are responsible for properly disposing of all trash generated by yourself and those in your group.

Smoking of any kind and chewing tobacco are prohibited: The smoking of any substance or chewing of any product is not allowed within 30 feet of the fenced pool area. Artificial smoking devices, including e-cigarettes, Juuls, “vapes” or other products that may emit smoke, also are prohibited. (This includes anywhere inside the fenced pool area or club house or within 30 feet outside the perimeter pool fence.)

Call 9-1-1 in the event of an emergency at the pool or use the emergency alarm call station near the pool!

- Animals are not permitted inside the pool area, with the exception of registered guide or service animals. Registration of these service pets must be conducted 7 days in advance with the Property Manager.
- Any person who is incontinent or not fully potty trained must wear appropriate waterproof clothing when entering or being carried into the pool. The pool may be closed for 72 to 96 hours for cleaning if a soiling occurs.
- Persons with infectious diseases, sores, bleeding, cuts or recent vaccinations cannot be in the water.
- Residents and their guests must be properly attired in appropriate swimming suits when swimming. Hair accessories, frayed clothing, shorts, cut-off jeans, playsuits, or other street clothing may not be worn in the water.
- Oils and lotions should be toweled off before entering the pool. Only rubber or soft plastic-soled shoes are allowed in the fenced pool area. Glass and metal objects should be kept away from the pool.
- Bicycles, tricycles, skateboards, hover boards, roller blades, etc., are prohibited in the fenced pool area.
- Please respect landscaping and plants in the vicinity of the pool area and do not climb on fences.
- Radios and music players cannot be used unless they are playing through headphones or earphones. (For safety reasons, do not use electrical outlets or have electronic items close to the water.)
- Everyone must exit the pool during extreme weather conditions, such as lightning, hail, high winds, etc.
- The Association assumes no responsibility for loss or damage to personal property.
- Parking is not available next to the pool. Parking spaces at nearby homes are private and not available for pool parking.

Please lower the umbrellas when it is windy or when you are leaving the pool area - even if you did not open the umbrella. This will help protect the equipment purchased with Association funds.

- *Instructions issued by pool monitors or supervisors, the Property Manager, members of the Board of Directors should be followed. Pool monitors are not allowed to babysit.*

All persons in the pool area should be prepared to furnish identification to include their house Unit #.

Recognizing the rights and obligations of all residents and guests, no one should be offended if asked to furnish identification regarding proof of residency. Violations should be reported to the property manager at **303-834-0311**. Violations also can be reported via the web site: www.cherrycreek3.com.

Please **do not** call, visit or disturb board members at their private homes to discuss any swimming pool situations.

INFORMATION ABOUT THE ELECTRONIC POOL ACCESS KEY CARDS

1. One **FREE** electronic pool access key card is issued to each property owner who submits a completed form to Realty One Property Management. Owners can use the same card year after year. Each card is encoded with specific information that is tracked by computer each time it is used. Your current electronic pool access key card will be activated for the pool opening each year and deactivated after Labor Day. Form information: call Realty One Property Management or download it at the Association's web site: www.cherrycreek3.com
2. If an owner is renting or leasing their home, they must give written permission for the tenant/lessee to obtain a pool key. The permission and request form is available online or from Realty One Property Management.
3. Keys are issued one time. If it is lost, stolen or misplaced, there is a \$25 charge for a replacement. If your key is missing, please report it to Realty One Property Management so it can be deactivated. Without notice, your electronic pool entry key may be deactivated if a home owner is not current on paying the monthly HOA maintenance dues. Your card may be deactivated if you let someone else use it if they do not live at your address. It may also be deactivated if you use your card to open the gate so strangers, non-residents or people you do not know gain access. It may be deactivated for not following the pool rules. Pool entry key cards are issued to a specific address in the neighborhood and cannot be transferred, exchanged, loaned to another household or sold.
4. Due to processing time, it could take up to seven days to issue new keys or to activate or reactivate them.

Please have a safe and enjoyable summer at the pool!
