

HINTONELLA MEXICANA

Origin: Mexico

Temperatures: Intermediate to cool growing miniature size orchid species

Light: Bright shade / shade

Watering & Fertilizing: Regular watering and fertilizing year-round.

General care: Super rare and absolutely must have miniature orchid species endemic to Mexico with stunning cute fragrant and large blooms compare to plant size. Grows best under cold to intermediate conditions, in shade or filtered LED light, good humidity and air movement. Can be grown potted or mounted. Great plant for terrariums, vivariums, glass orbs, greenhouses and outdoors in proper zones.
