

CERATOSTYLIS INCOGNITA

Origin: Philippines

Temperatures: Warm to cold growing small orchid species

Light: Bright light

Watering & Fertilizing: Regular watering and fertilizing year-round.

General care: Just adorable blooms on this small orchid species with attractive foliage too. Grows best under cold to warm conditions, in bright light, good humidity and air movement. Can be grown potted or mounted. Great plant for terrariums, vivariums, greenhouses and outdoors in proper zones.
