

## BARBOSELLA COGNIAUXIANA

**Origin:** Brazil

**Temperatures:** Hot to cold growing miniature creeping orchid species

**Light:** Bright shade

**Watering & Fertilizing:** Regular watering and fertilizing year-round, high humidity, good quality water

**General care:** Cute and easy to grow miniature orchid species with beautiful and large blooms and creeping growing habit. Grows best under hot to cool conditions, in shade, good air movement and high humidity. Due to creeping growing habit it's best when grown mounted. These are newly mounted divisions from our mother plant. Great plant for terrariums, vivariums, glass orbs, vases, indoor growing on windowsills or greenhouses and outdoors in Florida year-round.
