

MAXILLARIA SP. BRAZIL

Origin: Brazil

Temperatures: Hot to intermediate growing small orchid species

Light: Bright shade

Watering & Fertilizing: Regular watering and fertilizing year-round.

General care: Mystery Brazilian Maxillaria species. Grows best under hot to intermediate conditions, in bright shade or filtered LED light, good humidity and air movement letting slightly dry out between waterings. Can be grown potted or mounted. Great plant for terrariums, vivariums, greenhouses and outdoors in proper zones.
