MICRO, MINIATURE AND SMALL ORCHIDS

## DENDROBIUM MORTII

**Origin:** Australia & New Caledonia

**Temperatures:** Warm to cold growing small size orchid species

**Light:** Bright light

**Watering & Fertilizing:** Regular watering and fertilizing year-round

**General care:** Another cool Australian Dendrobium species with beautiful blooms and interesting foliage. Grows best under warm to cold conditions, in bright light, good humidity and air movement. Can be grown potted or mounted. Great plant for terrariums, vivariums, greenhouses and outdoors in proper zones.
