MICRO, MINIATURE AND SMALL ORCHIDS

## ANDINIA BARBATA

**Origin:** Ecuador

**Temperatures:** Intermediate to cool growing miniature size orchid species

**Light:** Bright shade

**Watering & fertilizing:** Regular watering and fertilizing year-round.

**General care:** This gem is very rarely seen in cultivations, new discovery from Shaglli Ecuador. Grows best under cool to intermediate conditions, in bright shade, good air movement and high humidity keeping lightly moist. Can be grown potted or mounted. Great plant for terrariums, vivariums, glass orbs, vases, indoor growing on windowsills or greenhouses and outdoors in proper zones.
