MICRO, MINIATURE AND SMALL ORCHIDS

## BULBOPHYLLUM CHAMPIONII

**Origin:** Papua New Guinea

**Temperatures:** Warm to cool growing miniature orchid species

**Light:** Shade

**Watering & Fertilizing:** Regular watering and fertilizing year-round, high humidity

**General care:** Special treat, newly described miniature Bulbophyllum species from PNG. Tiny plants produce beautiful huge yellow blooms. Grows best in shade, regular watering and fertilizing year-round, warm to cool temperatures. Can be grown potted or mounted. Great for outdoor / indoor growing, windowsills or greenhouses, terrariums, vivariums and glass orbs. Can be grown in Florida outside year-round.
