

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

BULBOPHYLLUM RUPICOLA

Origin: Brazil

Temperatures: Cold to warm growing small size orchid species

Watering & fertilizing: Regular watering and fertilizing year-round.

General care: This is quite rare Bulbophyllum species in cultivation, growing the same way as some other Brazilian orchids among rocks on exposed places in Minas Gerais Brazil. Grows best under warm to cool conditions, in bright light, good air movement and good humidity letting slightly dry out. Can be grown potted or mounted. Great plant for terrariums, vivariums, indoor growing on windowsills or greenhouses and outdoors in proper zones.
