MICRO, MINIATURE AND SMALL ORCHIDS

## BULBOPHYLLUM NASICA 'Orange'

**Origin:** Papua New Guinea

**Temperatures:** Warm to hot growing miniature size orchid species

**Light:** Bright shade

**Watering & Fertilizing:** Regular watering and fertilizing year-round, high humidity.

**General care:** Very rare and stunning miniature Bulbophyllum from Papua New Guinea. This one is orange color version. Grows best under hot to warm conditions, in bright shade, good air movement and high humidity. Only good quality water. Can be grown potted or mounted. Great plant for terrariums, vivariums, glass orbs, vases, indoor growing on windowsills or greenhouses and outdoors.
