

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

CAMPYLOCENTRUM SP. ECUADOR

Origin: Ecuador

Temperatures: Warm to intermediate growing miniature size orchid species

Light: Bright shade or filtered LED light

Watering & Fertilizing: Regular watering and fertilizing year-round letting slightly dry out.

General care: This is a must have for any collection, dwarf size Campylocentrum species from Ecuador. Grows best under intermediate to warm conditions, in bright shade, good air movement and high humidity. Can be potted or mounted, due to growing habit we suggest mounted. Great plant for terrariums, vivariums, glass orbs, vases, indoor growing on windowsills or greenhouses and outdoors in proper zones.
