

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

CATTLEYA / LAELIA LUNDII

Origin: Brazil & Bolivia

Temperatures: Intermediate to hot growing small size orchid species

Light: Bright indirect light

Watering & fertilizing: Regular watering and fertilizing year-round

General care: Cute tiny Cattleya / Laelia species with quite beautiful large blooms! Care for them like you do for your large Cattleya plants and you will be rewarded with blooms very soon. Grows best under hot to intermediate conditions, in bright indirect light, good air movement. Can be grown potted or mounted. Great plant for terrariums, vivariums, indoor growing on windowsills or greenhouses and outdoors in proper zones.
