

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

COMPARETTIA COCCINEA

Origin: South America

Temperatures: Cold to hot growing small size orchid species

Light: Bright shade

Watering & fertilizing: Regular watering and fertilizing year-round.

General care: Also called Brick Red Comparettia, this cute small orchid species produces stunning red blooms. Grows best under cold to hot conditions, in bright shade, good air movement and good humidity. We grow these as any Oncidium species. Can be grown potted or mounted. Great plant for indoor growing on windowsills or greenhouses and outdoors in proper zones.
