

TARZANEGROUP

MICRO, MINIATURE AND SMALL ORCHIDS

DENDROBIUM CULTRATUM

Origin: Philippines & Sulawesi

Temperatures: Hot to intermediate growing small size orchid species

Light: Bright light

Watering & fertilizing: Regular watering and fertilizing year-round.

General care: Another Dendrobium species that is not common in cultivations with great foliage and very dark purple blooms – free flowering year-round. Grows best under hot to intermediate conditions, in bright light, good air movement and good humidity letting dry out between waterings. Can be grown potted or mounted. Great plant for terrariums, vivariums, vases, indoor growing on windowsills or greenhouses and outdoors in proper zones.
