MICRO, MINIATURE AND SMALL ORCHIDS

DRYADELLA AUREA

Origin: Ecuador & Peru

Temperatures: Hot to intermediate growing miniature size orchid species

Light: Bright shade

Watering & Fertilizing: Regular watering and fertilizing year-round, good humidity, only best quality water.

General care: Great miniature orchid species and easy to grow too. Grows best under hot to intermediate temperatures, in bright shade, good humidity and good air movement. Can be grown potted or mounted. Great for outdoor / indoor growing, windowsills or greenhouses, excellent for glass orbs, terrariums, vivariums and frog encounters.
