

DYAKIA HENDERSONIANA

Origin: Borneo

Temperatures: Hot to warm growing small size orchid species

Light: Bright shade

Watering & Fertilizing: Regular watering and fertilizing year-round, good humidity.

General care: This very cute small size Vandaceous orchid species has stunning eye-catching pink blooms. Grows best under hot to warm conditions, in bright shade to bright indirect light, good air movement and good humidity slightly drying out between waterings. Only good quality water – crucial to use rain or RO water otherwise it will slowly die. Can be grown potted or mounted. Great plant for terrariums, indoor growing on windowsills or greenhouses and outdoors in proper zones.
